

# GRAND MASTER OF OREGON I. O. O. F. VISITS MEDFORD

The Odd Fellows hall was well taxed last evening to accommodate the crowd of members of the order from this and neighboring towns who assembled to welcome a visitation from the grand master of the state, S. F. Lowman of Pendleton.

The grand master, in his remarks, covered several matters of importance to the membership as a state organization, and especially emphasized subjects which have a local bearing, his address was instructive and encouraging throughout. He complimented the Medford lodge as being one of the liveliest, liveliest and peppiest bodies in the state. After remarks by other visiting and local members, the meeting adjourned to the banquet room, where a delightful oyster supper was served by a number of the Rebekahs.

Canton members in uniform acted as an escorting body to the visiting dignitary during the evening.

Mr. Bowman paid a brief visit to the Central Point lodge and the Medford Rebekahs Monday evening. He will visit Grants Pass tonight.

## Render Homage to the Memory of the Greatest American

Abraham Lincoln, because of his wise leadership and broad humanity stands unsurpassed among our statesmen. A great American, and the first republican president, it is fitting that all citizens and especially republicans, should commemorate his birth and recall with pride and gratitude his innumerable service to our country.

The Jackson county Lincoln club desires to make his birthday anniversary the occasion of a county gathering of republicans, both men and women, and by a contemplation of the character of Lincoln, his broad tolerant leadership and lofty devotion to the welfare of the whole people, gather renewed determination that the republican party shall continue to be an efficient and unselfish instrumentality in the service of our state and nation.

Let us meet together next Monday night, February 12, at the Medford hotel, to render homage to the memory of Lincoln, and there resolve to meet with united front the big problems confronting us, with the same faith in our institutions, and the same unselfish devotion to the common good that Lincoln had.

Tickets have been reduced to \$1.50 this year and can be obtained from Frank Farrell, Jack Wakefield, Bert Anderson, George Hilton, George Gates, P. M. Kershaw, S. S. Smith and others. A good program has been arranged and an usual this will be one of the most enjoyable occasions of the season.

## COUNCIL NAMES NEW STREET IN NORTH MEDFORD

The council passed an ordinance last night creating a new thoroughfare in the city of the alley running from North Central avenue to North Bartlett street, as Mitchell way. This new street or streetlet is named after J. W. Mitchell, head of the Standard Manufacturing company, whose plant, located in the heretofore plebian alley, manufactures the Mitchell ladders and also patent incubators.

Mr. Mitchell was almost overcome with pride this forenoon when he learned of the council's action, which was a total surprise to him. He had recently requested that the council designate the alley as a street and give it the name of Lincoln way, for the reason that the fast expanding company receives much mail from all over the Pacific coast and needed a location on an official thoroughfare.

When city Attorney Fred Mears perused the local statutes for this purpose he discovered that the city already had a thoroughfare named Lincoln, hence in preparing the ordinance he named it Mitchell way.

with the violation of the Prohibition law, was still under way before County Judge George Gardner at Jacksonville today, and it is not expected that the case will go to the jury before tomorrow morning. The defendants are being tried under the so-called "nuisance clause" of the prohibition law. The case has lasted a day and a half so far; a record for Jackson county justice court proceedings. The state used a day in its examination of witnesses and the first of the defense witnesses were called this forenoon. The state is represented by Rawles Moore, and the defense by Attorney George M. Roberts.

## Gopher Demonstration At Talent Thursday

Many of the farmers of Jackson county are determined to eradicate the pestiferous gopher from their fields. In some sections the farmers have already decided upon certain areas that are to be cleaned of gophers this year. In other sections farmers are making plans now for such a move. It is almost impossible for one farmer to make much headway, but where a few group together it is held to be practical and much good can be accomplished.

With this in mind a demonstration will be held at the Experiment station Thursday afternoon at 2 o'clock. All farmers who are bothered with the gophers are especially invited to attend. This work is being conducted by the County Agent's office in cooperation with the Biological Survey, U. S. Government.

**THOUSANDS** of women everywhere have found that, by using Mazola, they can easily and readily prepare a rich, creamy mayonnaise, equal to anything you get, even in the finest hotels.

Mazola blends so perfectly with all your other salad ingredients that it brings out the fullest flavor and most perfect taste. And inasmuch as Mazola thickens more quickly, you save time and money. Mazola-Mayonnaise remains always firm, fresh and smooth. It keeps longer without separating or getting rancid.

You can be sure of the purity of Mazola-Mayonnaise, and of its wholesomeness. For you know that the eggs you use in it are absolutely fresh.

Use the Mazola you have, or get a can from your grocer, and try the recipe given here. See how easy it is to make!

Your grocer sells Mazola, in pint, quart, half-gallon and gallon sterilized tins, packed on our own premises, under expert supervision. It is never sold in bottles or in bulk, as are ordinary salad oils.

If you are not entirely satisfied with Mazola, your grocer will refund your money.
