Why Druggists Recommend Swamp-Root

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kline's Swamp-Root, the great kidney, liver and bladder medicine. It is a physician's prescription.

Swamp-Root is a strengthening medicine. It helps the kidneys and bladder do the work nature intended they should do. Swamp-Root has moved the test of years. It is sold by all druggists on the merit and it should help you. No other kidney medicine has so many friends.

Be sure to get Swamp-Root and start treatment at once. However, if you wish first to test this great preparation, send ten cents to Dr. Kline & Co., Birmingham, N. Y., for a sample bottle. When writing be sure and mention this paper. Adv.
