

Local and Personal

Building operations for the construction of the new concrete building at the corner of North Central and E. Sixth street to be completed by Foster J. Neff were started today with the commencement of the work of clearing the lot preparatory to beginning the excavation work for the structure. The building will have 125 feet front on North Central and 100 feet on East Sixth street. It will be 30 feet high and will have four store rooms on North Central, with the main store room on the corner to be occupied by the Economy Groceries. It is said that the other three store rooms have already been leased.

HOW TO REDUCE VARICOSE VEINS

Many people have become dependent because they have been led to believe that there is no remedy that will reduce swollen veins and lumbago. If you will get a two-ounce trial bottle of Moore's Emerald Oil (full strength) at any first class drug store and apply it at home as directed you will quickly notice an improvement which will continue until the veins and lumbago are reduced to normal. Moore's Emerald Oil is very concentrated and a bottle lasts a long time—that's why it is a most inexpensive treatment. It has brought much relief to worried people all over the country and is one of the wonderful discoveries of recent years and always bear in mind that anyone who is disappointed with its use can have their money refunded. Health's Drug Store, West Side Pharmacy can supply you. Adv.

When You See Flames In your home you immediately think of quenching them and saving your property. Why not think of that before the fire and take out a policy of insurance in our company? McCURDY Insurance Agency Tel. 123 Medford National Bank Bldg. Medford, Oregon

The social club of Beames chapter will give a Pre-Washington card party and musical Wednesday eve, Feb. 22. Everybody cordially invited. Patron: Oregon, West, Oriental Ballroom. Management: American Legion. 253 Goodwin Corset Shop, 29 E. Fla. 254 M. E. Johnson, mayor of Gold Hill, who earlier in the week attended the annual convention of the state hardware dealers' association, and who registered at the Hotel Imperial, returned to his southern Oregon home last night. While here, and during a brief business trip to Coos Bay, Mayor Johnson investigated the hydraulic ram market, with a view of reporting on the advisability of such equipment for the Gold Hill water system. The municipality owns a very valuable water right, known as the McClure ditch, which takes its supply from the Rogue river some miles above the town. Through a part of the flow is under lease to an irrigation district. It is believed that, with slight alterations, the ditch may be made to serve both the city and the agriculturists.—Portland Oregonian.
