WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor!

Mrs. A. E. Dodge, 241 S. Holly St., Medford, says: "I am glad to say a good word for Doan's Kidney Pills, as they have given me splendid results. My kidneys were in a weak condition and I was run down and nervous. I tried easily and was often unable to do my housework and my back ached as if it were broken, and I had dizzy spells. My feet and ankles were swollen and I couldn't stand up for any length of time. My kidneys acted irregularly, too, until Doan's Kidney Pills were recommended to me and I used them. They soon strengthened my kidneys and all the other symptoms of kidney disorder disappeared."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Dodge had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

The mild sunny weather of yesterday and Monday made it seem like early spring, rendered fires and overcoats rather uncomfortable during the day, and served as a reminder that the smudging season is only a little over a month distant. If the warm weather spell should continue several days it would greatly hasten the development of fruit buds following their resting spell during the recent cold snap. However, County Agent Cate says that there will probably be enough cold weather ahead to hold the fruit buds back until April 1st, except the peach buds which have already begun to swell and which might possibly be in bloom by March 20th.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wynne's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By moving the gray hair disappear, after another application or two, its natural color is restored, and it becomes thick, glossy and beautiful, and you appear years younger.
