HOTEL DINTY MOHR IS DEDICATED BY THE CRATERS CLUB

The Hotel da Dinty Mohr, the Crater club's new banquet hall, was dedicated last night with most appropriate ceremonies. Fifty Craters and fourteen guests enjoyed a big evening of stunts, songs and addresses, a fitting send off of the club under the new administration of Big Eruption Bob Boyl and his associate officers. The attractive little hall was chock full of good cheer and melody, the music being supplied by Launspach's Trio, Herb Launspach, Don Newbury and Wilson Walte.

The evening's entertainment went off with a bang. Harry Sougall sang the new song success, "All for the Love of Mike," following with an appropriate parody of the same song. This part of the program made a decided hit. Following the song, a little playlet was enacted by Crater members apropos to the dedication of the hall. J. J. Buchter, with his "imitable German brogue," portrayed the role of Emil Mohr and did it well. Horace Bromley was the "hic" tourist with emphasis on the "hic." Ulrich more than filled the role of a traveling salesman with Herb Grey as his wife, a vamp imported from Tolo. Ray Reter alias Dynamite, was the temporary bell hop. Ray made a good one. The little play was a decided success and reflects credit on the committee, composed of Larry Schade, chairman; J. J. Buchter, Chester Barr and Horace Bromley.

During the short business session, William Isaacs, who was elected to membership at last meeting, was introduced. Many important subjects were discussed, and referred to the project committee. In response to a telegram from the Astoria Chamber of Commerce, a motion was adopted endorsing the Astoria relief bill and urging the governor to support this measure. Oregon and particular southern Oregon publicity was generally discussed during this meeting.

Carl Tengwald was appointed chairman of next meeting's program and Tom Swem and Horace Bromley will have charge of decorations for the year.

Following the program and business meeting, Linwood Cornell and James L. Albert of the Alexander Hamilton Institute of Portland, delivered two unusually interesting talks, the former's subject being "Growth and Responsibility," and the latter's "The Price of Success." Other interesting speakers were Paul B. McLean, manager of the California Oregon Power Company; Mr. Thompson, the new head of Crater Lake, and Frank De Sousa, a new Medford lawyer. Short talks were given by various guests and members which completed one of the most successful Craters get-togethers held in the history of the organization.

THE WELL-KNOWN MEDICINE OF THE FAMOUS RECIPE BOOK AUTHOR

K-L Pills

For Kidney and Liver Troubles, Constipation, Intestinal Indigestion and Kindred Ailments

Liver trouble leads to serious ills. And a sure sign of liver trouble is biliousness. If you have attacks of headache, if you have a coated tongue, if you have a fickle appetite, you probably are bilious—which may lead to derangement of the liver and to serious and quite often fatal results. Read this strong endorsement of Dr. A. W. Chase's K-L Pills. Mrs. J. H. Stone, Route No. 2, Bazley, Ga., writes:

"For a number of years I have been troubled with my kidneys, liver and also my heart. I find Dr. A. W. Chase's K-L Pills wonderful remedy. They certainly are the best I ever used. I would not be without them in my home and take great pleasure in recommending them to my friends."

You can buy Dr. Chase's K-L Pills at all drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M.D., on each box—your protection against imitation.

the Secret of Serving DELICIOUS SALADS

at Every Dinner—at Insignificant Cost

EVERYONE would like to serve salads at every dinner—but if you use the oil liberally, and drench the salad, as you should, it is used up quickly. This makes imported olive oil quite expensive.

WITH Mazola, however, the price is so reasonable that you can use it as liberally as you wish—and once you try it you will prefer Mazola to the finest imported olive oil.

MAZOLA is so sweet and pure, and blends so wonderfully with your other salad ingredients, that once you become acquainted with it, you will be delighted to serve a Mazola-dressed salad at every dinner.

YOUR grocer sells Mazola in pint, quart, half-gallon and gallon tins, packed and sealed under expert supervision. It is never sold in bottles or in bulk. If Mazola is unsatisfactory to you, your grocer refunds the cost without question.
