John Jim Tladino, an Italian, owner of a 400 acre ranch near Ashland, upon which graze 200 head of stock, applied for citizenship papers at the naturalization hearings in Jacksonville Saturday, but this right was denied because during the war he had claimed exemption because he was an alien. The records of the draft board were produced in support of this contention. The naturalization commissioner, however ruled that Tladino might renew his application for citizenship next November, five years after the signing of the armistice. Eight applications for citizenship were granted. Ashland Tidings.

WEDDING BELLS

A wedding of interest to many in the city was that performed at the home of Mrs. Gregory at 923 S. Central yesterday at 12 noon when Miss Josephine Gregory and Mr. Frank Yaskin were united in marriage by Rev. E. P. Lawrence who read the beautiful ring ceremony. Only the immediate relatives of the family were present, a brother and wife, Mr. and Mrs. Gregory of Central Point, and two sisters and their husbands, Mr. and Mrs. H. B. Nye of Talent and Mr. and Mrs. Peter M. Kershaw and son, Gordon of Medford.

The bride is well known, not only in the social circles, but also in the business circles of Medford, having been for seventeen years the faithful bookkeeper and treasurer of the Deuel Brothers department store.

The groom has been for several months expert cabinet maker for the Medford Planning mill. Two years ago he was principal mechanic for the forest patrol airplanes at the Barber field, having come from field service at Crissy field, Presidio and other government camps where he had served in the airplane department, holding the title of first sergeant, 91st squadron. He was one of the four expert mechanics who built the DeHavilland airplane which flew the non-stop flight from California to Florida and was destroyed by accident on the return trip.

These young people have the congratulations and best wishes of their many friends. A delicious chicken dinner was served following the wedding ceremony, which was greatly enjoyed by the guests.

Important to All Women Readers of This Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be despondent; it makes any one so.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores. Adv.

AUTO SUGGESTIONS

Perhaps M. Coule does not drive a Jewett, but there is a vast and rapidly increasing multitude of Jewett owners who are every day in every way liking them better and better.

The unfailing method for determining definitely what really is the BEST automobile buy for 1923 is to drive a Jewett over steep, rough roads and see for yourself why it has been christened the "Sturdy Performing Six."
