Why thousands of women are now making their own Mayonnaise

IT is very easy to make the most delicious mayonnaise you ever tasted, with Mazola.

Mazola-made Mayonnaise is delightfully smooth and creamy, and always firm and fresh. And it keeps longer without getting rancid or "separating out." You can be certain that Mazola-Mayonnaise is always pure and wholesome, and that the eggs you use in it are absolutely fresh.

You'll find, also, that Mazola thickens your mayonnaise more quickly. This saves you considerable time and labor.

Why not use the Mazola you have, or get a can from your grocer, and try the recipe given here? See how simple it is to make perfect mayonnaise. Mazola is packed and sealed in sterilized tins, on our own premises, under expert supervision. Your grocer sells it in pint, quart, half-gallon and gallon tins. The large sizes are most economical.

Mazola is never sold in bottles or in bulk—as are ordinary salad oils. If Mazola is not satisfactory, return it and get your money back.

Order Mazola from your grocer today.

Mayonnaise Dressing

1 cup Mazola 3/4 teaspoon Salt 3 tablespoons Lemon Juice or Vinegar 1 Egg Yolk 1/2 teaspoon Sugar Add well mixed seasoning to egg, with one teaspoon lemon juice or vinegar, and beat well, adding one teaspoon Mazola at a time until mixture thickens, after which the Mazola may be added more rapidly.
