ROSEBURG PRAISES  
MEDFORD TOSSERS

Relative to the basketball game held here last Friday night between the Roseburg and Medford teams, the Roseburg News Review presents in part as follows:

There was a huge crowd in attendance at the game, the Medford school band being present. This in sympathy with Medford helped them to their victory. The Roseburg team was also accompanied by a large delegation of rooters who were greatly pleased with the results shown them by the Medford students.

The team of the Medford high school is well deserving of the South Oregon title. The team is composed of clean, young sportsmen who played a game which the best teams find it hard to beat. They have fighting spirit so necessary in a championship team, which plainly shown in the game here, when they refused to quit fighting, in spite of the fact that they were apparently out of hope, and managed to finally come the lead and take away the game from the Roseburg team.

Roseburg is, of course, disappointed that its own excellent team, which it may well be proud, could not win this honor, but the Medford team has proven itself to be a better team and Roseburg will be glad to give its support to that team in the fight for the state championship at the state conference in Salem.
