

Local and Personal

Local basketball fans will be disappointed to learn that the proposed University of California vs. University of Oregon basketball game, which it was hoped would be played here this weekend has been definitely called off. According to Principal Campbell of the local high school, California refuses to stop over enroute back to Berkeley from the Pacific Coast conference championship contests at Moscow, Idaho.

City Street and Water Superintendent Charles Davis and several members of the city water department started work this morning at the city park installing extra taps on water pipes in the park so that caretaker Antle may water the lawn without using hoses more than 50 feet in length. Piping in the city park, according to V. J. Emerick, is so designed that an automatic sprinkler system can be installed easily. During the last year of his administration as mayor, says Emerick, a sum of \$400 was apportioned in the city budget for the installation of such a system and former City Engineer Olen Arnsperger made plans for it, which are doubtless still available. The system's installation was deferred, however, with the advent of the world war.

Baptist apron and food sale. Liberty theatre, Friday, March 9th.

Gregg review and dictation work in day or evening class; expert instructor; special rates. Medford Business College, G.W.N.

This is Canned Goods Week.

The largest tourist business in Oregon's history is expected next summer by Herbert Nunn, state highway engineer, who says that many will come from southern California, as it is getting pretty well understood that the paving of the Pacific highway is practically completed.

Did you know that everything in the Thrift Shop is fumigated before it leaves the shop? Did you know that all kinds of garments are needed at the Thrift Shop, and in order to fill that need, we are going to have a big drive, beginning Wed., Mar. 14, so if you will please look through your attics and closets and make up a bundle of what you don't need any more and have it on your porch on Mar. 14, it will be called for. Did you know that you could get good magazines at Thrift Shop for 1 cent apiece?

ECONOMY GROCETERIA

THE HOME OF BREAD LIKE MOTHER MADE

It's the steady, consistent saving that builds the bank account. Economy prices are always lowest because we eliminate the cost of clerks, credits and deliveries. It's because our prices are always low that we have justly earned the reputation of price makers of Southern Oregon.

Here are some of our regular all-the-time prices. You don't have to load up,—just buy at these prices any time and remember this—our original slogan—"You will always save at the Groceteria":

Silk Soap, 6 for 25c; 25 for	\$1.00
Polar White, 6 for 25c; 25 for	\$1.00
White Linen, 6 for 25c; 25 for	\$1.00

Velie

Every Time We Sell a Car We Make a Friend

The very definite progress which has marked each succeeding year in Velie manufacture is more emphatic in this year's models than ever before—not alone because of our own Velie-built motor, giving a degree of power and flexibility heretofore unknown even to Velie cars, but also because of the refinement of craftsmanship in body-building and finishing.

There are specially-designed parking lights and drum-type headlights of distinctive design. An interesting removable tonneau light on a reeled cord serves as a portable light when needed. Nickered trimming adds a note of beauty to even the smallest units. Beautifully-curved, full-crown fenders accentuate the lines of the body itself, adding greatly to the finished effect.

The Velie-built motor is as free from vibration at sixty miles an hour as at six, is automatically lubricated, dirt and dust proof, overhead valve gives maximum power.

The general sales manager for Oregon is in Medford with a latest model Velie to establish a distributor for Jackson and Josephine counties for these popular cars and is located at 118 South Central ave. Phone 769-J.
