

SIX CERTIFICATES OF ACHIEVEMENT IN JACKSON COUNTY

The county club agent, Lloyd A. Moss, received from the head office at Corvallis yesterday six certificates of achievement for various boys' and girls' clubs in the county for good work accomplished last year.

The achievement awarded is that of having every member in the club complete the year's work, turn in a final report and story of the work, and make an exhibit at the fair.

The following clubs won this distinction:

The Merry Workers Sewing club of Sams valley, under the local leadership of Mrs. J. Bigham, the club roll reading Ivern Holst, Edna Gerard, Catherine Koger, Frances Wilson, Grace and Ruth Bigham, Naoma Magruder, Letha Tresham, William Fitzgerald, Donna McDougall, Elsie Wilhite and Gladys Schulz.

The Lake Creek Sewing club, which Mrs. Alma Meyer guided to successful completion. Norma Klinge, Helen Meyer, Neva Messal, Lucia Gardner, Marguerite Nickell and Millie Meyer. The Uniontown Homemaking club under Miss Louise Hodges, Gladys Johnson, Elsie Fisher, Venita Anderson.

son, Virginia Cameron, Helen Johnson, Willis and Leo Fisher.

The Sams Valley club under the double leadership of Mrs. McDougall and Mrs. Zimmerman, many of the members of which carried two projects. Minnie Jennings, Letha Tresham, Elsie Wilhite, Velma Wright, Ivern Holst, Naoma Magruder, Katherine Koger, Donna McDougall, Gladys Schulz and Dorothy Wilhite.

The Ashland Calf club with Albert C. Joy as leader, Bernard Joy, Noble Katzer, Earl Evans, Richard Joy and John Billings.

The Talent Pig club with Elton Benson to trot the youngsters into line. Members of this club, Frank Dunkin, Robert Purves, Richard Petri, Merle Hughes and Clarence Holdridge.

Mr. Frank Holdridge was one of the strong backers of this club and helped the boys get their pure bred pigs into the contest.

These certificates of achievement are neatly printed on cream colored parchment, telling of the achievement of the club, giving the roll of members and signed by Geo. E. Farrel of the Boys' and Girls' club division of the U. S. D. A., Governor Walter M. Pierce, Dr. Kerr, president of O. A. C., State Superintendent J. A. Churchill, Director Paul V. Marry, State Club Leader H. C. Seymour, County Superintendent Mrs. Carter, the county club leader and the local leader.

These certificates will be presented to the clubs in the near future.

—This Is Farmers' Week—

Phoenix Ladies Meet Friday.
The special meeting of the Phoenix Aid society arranged for this week will be held Friday, instead of Thursday, and is called for cleaning and decorating the hall. All who can possibly come for all day or the afternoon are especially asked to do so. Those coming for all day are asked to bring their lunch.

"Y" BOYS' NOTES INTELLECTUAL SOCIAL PHYSICAL SPIRITUAL

Giving over last night to the Klamath Falls game, the regular Y. M. C. A. contests will be staged tonight. From now to the finish, March 26, of the basketball season, the race will be a strenuous one. All teams are now, or should be, at top form and the last half of the schedule now well started, will doubtless be a strenuous one.

The Baptists will meet the South M. E.'s in the first session; the Presbyterians the Christians in the second.

Inter-City Volley Ball Wednesday

The Business Men's volleyball ball teams of Ashland and Medford will play an intercity set of games here Wednesday night. During February the first of these inter-city series was played at Ashland, the Medford team taking three out of four games in a contest which was fairly even. Each of these organizations is playing its third season with an enthusiasm which is growing instead of diminishing. Volley ball is everywhere proving itself the most adaptable game we have today. From grand parents to grandchildren, it interests them all. The locals are playing a snappy game and will try to repeat their success of three weeks ago in the games tomorrow night.

Scouts at Phoenix Booming
A fine group of boys at Phoenix have been organized into a Scout troop recently. A good sized bunch were taken in as "Tenderfeet" last Tuesday night and are looking forward eagerly to a hike and some field work. Gold Hill has asked for the help of

the County Y. M. C. A. in organizing a group work there.

—Boost Farm Bureau— OPEN FORUM AT HOTEL TOMORROW

There will be an open forum of the Medford Chamber of Commerce tomorrow noon at the Medford Hotel. The entire time will be given over to members and suggestions as to future activities will be welcomed as will any complaints be given thoughtful consideration by those present.

At times it is most difficult for the forum committee to get the men to come here, who are authorities on certain subjects, especially so as the chamber does not pay and never has paid the traveling expenses of any one who has been invited to address the forum. Outside of paying for the luncheon of an out of town speaker, the forum has not been a big expense as some members have been led to believe.

Some interesting announcements may be made regarding the membership expansion campaign which is to take place this month and as this must have the support of everyone interested in the success of the chamber, the members are urged to attend.

—This Is Farmers' Week—

Film Company Fails.
NEW YORK, March 6.—An involuntary petition in bankruptcy was filed in federal court today against the Seiznick Picture corporation, producers and distributors of motion pictures. Claims of \$3,999 were filed by three companies.

Thrilling Scenes, Rialto

A film version of one of the most exciting sea stories of recent years is "All the Brothers Were Valiant," based on the story of the same name by Ben Ames Williams. In its screen form it comes to the Rialto tomorrow for a run of four days.

Those who have read Mr. Williams' powerful whaling story cannot but remember it as an unusually vivid and thrilling tale.

There is a thrilling whale hunt, shown with remarkable fidelity; a bitter battle aboard ship, with two brothers temporarily on opposing sides; a search for pearls under adventurous circumstances; as well as many other episodes which should keep any audience constantly thrilled.

Lou Chaney is seen in the role of Mark Shore, a scheming, crafty seaman; Joel Shore is his brother, captain of the schooner which Mark himself once commanded, played by Malcolm McGregor. The delightful actress, Billie Dove, is the feminine player of any importance in the cast, appearing as Priscilla, the wife of Joel. Others in the cast are William H. Orland, Robert McKim, Bob Kortman, Otto Brower, Curt Rehfeld and William H. Mong.

"Dangerous Age," Page
Stealing all the fervor and fire, the thrills and value of a spectacular "serial," "The Dangerous Age," which opens a four days engagement at the Page theatre tomorrow matinee presents the compact persuasion of a vital, moving drama and avoids the

deliberately "pumped-up" quality of the merely sensational.

Among the many spectacular features that grow logically and consistently out of the progress of the plot is a race between an automobile and an express train, the former dashing across tracks at road-crossings with an inch between safety and destruction. Lewis S. Stone is the intrepid driver of the auto. A horse race was staged for this picture with the ten horses and riders imported from Tin Juana.

Round three of the famous "Leather Pushers" is another feature on tomorrow's bill.

—John Farm Bureau—

2 MEDFORDITES FINED FOR LIQUOR VIOLATION

Two Medford visitors in the city, members of B. Y. O. L. (bring your own liquor), were fined \$200 each by John H. Dill, city police judge, when they appeared in court this morning to answer charges of driving a machine while in a state of intoxication. The pair gave their names as Charlie Jessiman, cook at the Rex cafe, and a residence address of 445 South Front street. His companion gave the name of J. Bradbury, 439 South Fir street. The duo were picked up in a restaurant near the Southern Pacific depot, and offered the old alibi of "giving a couple of fellows a ride. They gave us a few drinks and must have left the bottle in the car." The machine, a Buick touring car, is being held here as security for payment of the fines. Bradbury claims to have a car of his own in Medford. —Ashland Tidings.

Mrs. Jennie Butterfield

Good Advice for Women

Portland, Oreg.—"All my life I have known of Dr. Pierce's medicines. My mother was a physician and she thought so well of Dr. Pierce's medicines that she quite frequently recommended them to her patients, especially the 'Favorite Prescription' for women. For about two years after the birth of my fourth child I suffered with feminine trouble of a very serious nature. I had all the aches and pains a woman could have. I was nervous and weak—just able to be around. I was in distress all the time, when I began taking Dr. Pierce's Favorite prescription, but was completely relieved of all my ailments and restored to perfect health. "When my daughter was growing into womanhood she was backward and had such poor health that she was compelled to quit school. I gave her the 'Favorite Prescription' and it completely restored her to health and she came into womanhood in a very natural way."—Mrs. Jennie Butterfield, 821 Mich Ave.

End of South Front St. Phone 94

THE CONSUMER'S OPPORTUNITY

CO-OPERATION between canners, wholesalers and retailers means that National Canned Goods Week will be celebrated this year with

SPECIAL OFFERINGS

READ the accompanying announcements of inducements to you in dozen and case lots—and remember—health authorities everywhere have endorsed canned goods because of their safety, their healthfulness and sanitation.

CANNED FOODS ARE SAFE FOODS

CANNED FOODS are fresh foods when they are opened. It is only after they are exposed to the air that they are liable to any possible contamination. Therefore, if you will stop to think of it and realize it, canned fruits and vegetables are much less exposed to germ dangers than "fresh" fruits and vegetables.

BUY IN QUANTITIES—SAVE MONEY

ALWAYS there is true economy in quantity buying—if you have proper use for the quantity. Canned goods you know you can always use. They "keep" on your shelves just as they do on the grocers' shelves—so get the "quantity buying" habit and save money.

THE VARIETY OFFERED IS WONDERFUL

NOWADAYS, the American housewife can serve an entire meal from canned goods and have the greatest variety. Take an interest in canned foods this week. You will find a great many varieties new to you and they will help solve the housewife's eternal problem—"what to eat?"

NATIONAL CANNED FOODS WEEK

We are observing "Canned Foods Week" by allowing a very liberal discount on all canned goods bought in dozen lots.

You are not asked to buy
all one kind, but can assort
the dozen to suit yourself

There are many kinds of Canned Goods, aside from fruits and vegetables that are needed almost daily in the home such as Salmon, Sardines, Tuna Fish, Oysters, Soups, Macaroni, Spaghetti and many other items.
