

New Moline Plow Co.

To get the full benefit of the Moline plan, orders for season's goods must be in early advance of the season.

The lack of foresight is the cause of the Advance Prices or waiting for the goods to arrive when you need them most. A little thought and money invested now will bring big dividends later on. Now is the time to investigate and buy Mowers, Farm Trucks, Etc.

Under the Moline Plan you can buy high grade goods through me at prices equal to mail order prices.

The latest sensation in the implement world is the creation of the new Boltless Spike Tooth Harrow. We invite you to call and see this wonderful harrow and to investigate our low prices. If we can save you one, two or three dollars out of ten, of the money you spend on machinery, we feel we have been of some service to you.

WILLOW SPRINGS HARD TIME PARTY ON 17TH MARCH

WILLOW SPRINGS—The ladies of
the Willow Springs Thursday club are
planning a hardtime party to be held
at the school house on the evening of
March 17th. Everyone in the com-
munity is cordially invited to be present
and wear their oldest clothes. Prizes
will be given for the most poverty
stricken dressed woman or man. A
short program will be given and
supper will follow. Everyone who
wishes to fish will have the chance.
There is sure to be fun and good eats.
W. A. Thompson has just purchased
a powerful telescope, and from the
slightly elevated of their home they
can get a splendid view of the valley
and hills.

George and Harry Elden have been
very successful in trapping skunks
this winter and spring, ridding the
neighborhood of a number of chicken
thieves and netting themselves a nice
little sum for the fur.

Mrs. Charles Taylor visited friends
in Ashland for a few days the fore-
part of this week.

The H. H. Clarke family received
news last Saturday morning of the
death of Mr. Clarke's father, at his
home in Portland, on Friday, March 2.
Mr. Clarke, Sr., has been in very poor
health for some weeks and the news
was not unexpected. H. H. Clarke
left for Portland Saturday evening.

The J. W. Birkholz and the J. W.
Elden families were evening guests at
the Parker home last week Wednes-
day.

The Thursday club had an unusu-
ally large turnout at their March meet-
ing. The members of the club scored
well in both the social and physical
tests. The April meeting will be with
Mrs. Clyde Richmond.

Mrs. Helen Brophy returned to her
home in Klamath county last Friday
after a two weeks visit in the valley.
There were a number of very pleas-
ant social affairs in her honor during
her stay.

Mrs. Omar Porter is making a very
satisfactory recovery and was able
to leave the Medford hospital last
week.

Mrs. Hugh Porter and daughter left
last Saturday for Chico, Calif., to be
the guests of her parents, Mr. and
Mrs. Joe Hoagland for a number of
weeks. Mrs. Porter is convalescent
from her recent operation and will
return as soon as she fully recovers
her strength.

Mrs. John Higginbotham, who was
operated on in an Ashland hospital
about three weeks ago is again at
home and gaining nicely. She is able
to be up and about the house part of
the time.

On Sunday, Feb. 25th, the following
were guests at the A. Benson home:
Mr. and Mrs. E. Chailson, Mr. and
Mrs. E. Erickson and son Elvin, Mrs.
Carpenter, Mrs. Webster and Mrs.
Johnson of Grants Pass, Miss Linn
Johnson of Central Point, and Mr. and
Mrs. J. W. Winton of Medford.

TABLE ROCK WOMEN TO ORGANIZE A SEWING CIRCLE FOR RED CROSS

A helpful group of ladies gathered
at Table Rock at the home of Mrs.
McBride, last Tuesday afternoon, to
hold a meeting with the Red Cross
workers. Mrs. C. P. Card, manager
of the thrift shop of the Jackson
county Red Cross, gave brief talks on
the program of this vital county work
which is carrying out policies, by
which many who struggle with social
and economic handicaps and difficul-
ties are enabled to make their own
way by learning self help.

Mrs. Lydiard, Mrs. Dunlap, Mrs.
Gregory, Mrs. Johnson, Mrs. Schaffer,
Mrs. Pendleton and Mrs. McBride
were present. The ladies planned to
organize a sewing group, of which
Mrs. Dunlap will be supervisor and
which will hold regular meetings, the
next meeting to be held on Wednes-
day, March 14. They will piece quilts,
make garments, and remodel cast off
garments and many other articles of
wearing apparel for the thrift shop
of the Red Cross, helping in the
splendid program now underway to
create thrift and conservatism.

Mrs. Pendleton gave a little child's
white crocheted bonnet to be taken
to the thrift shop to be sold there for
a trifle or given to some one needing
it. It had been given to her years
ago by a man who had found it in a
mud puddle and who kept it because
he thought some little face would
look so charming in it. So Mrs. Pen-
dleton cleaned it and kept it, waiting
for the opportunity to use it where
it would do the most good.

AGATE ITEMS

The patrons of the several tele-
phone lines that lead into Central
Point will, no doubt, be pleased when
the new telephone exchange and other
improvements are completed. If they
will improve the service any. It is
about time some change was made as
several subscribers have had their
phones removed because of the poor
service which has been so prevalent
lately.

Norman Merrill and family of Med-
ford were visitors at the W. E. Mer-
rill home last Sunday.

We understand that no trace has
yet been found of Cecil Cunningham,
the thirteen year old school boy who
slipped away from the Wallace home
Wednesday night. He came here re-
cently from Portland and was board-
ing with the teacher, Mrs. Wallace.

Walter Minnick is at home now,
having quit his position at the Cow-
gill ranch where he has worked steady-
ly for the past eighteen months. Most
boys of this age are doing pretty well
if they work steadily at one job for a
week's time.

Harry Smith is farming the Morgan
place which has not been farmed for
about four years. We wish him suc-
cess in his venture.

The pastures have improved con-
siderably, the last few weeks and most
of the stockmen have quit feeding
their stock.

MARY CARR MOORE RECITAL TONIGHT

The Greater Medford club are pre-
sented Mary Carr Moore who pos-
sesses a beautiful lyric soprano voice.
In a recital of her own compositions.
Friday evening, March 9th at the
Presbyterian church at 8 o'clock.
Saturday afternoon a children's mat-
inee, "A Mother Goose Revue," select-
ed from her own compositions and
other American composers. While this
program will appeal especially to the
children it is also most interesting for
the grown-ups. Mrs. Moore is charm-
ing in the role of Mother Goose and
assisted by a number of children rep-
resenting the different characters in
pantomime and blending their voices
with hers in choruses will indeed be a
program well worth while.

Radio News

Radio station KPO. (Hale Bros.),
of San Francisco, will broadcast on
400 metres the entire proceedings of
the University of California alumni
banquet as it progresses tonight.

According to the announcement the
entertainment features of the banquet
will be selections by the famous Uni-
versity of California glee club and
probably an address by Governor F.
W. Richardson of California.

California alumni are notified to
listen in on the radio and it is sug-
gested by the alumni association that
alumni everywhere would appreciate
invitations from friends who possess
radio sets to allow them to listen in.

The hour for the beginning of the
talks and entertainment will be the
same as customary with 6 o'clock
banquets generally.—Oregon Journal.

Medford and valley grads of the
U. of C. who are unable to attend
the banquet will in this way, be able
to get everything except the gastro-
nomical benefits of the affair as Hale
Brothers' 200 watt transmitting ap-
paratus is very audible here, some-
times even being picked up on a crys-
tal detector receiving set.
