

TEN YEARS OF TROUBLE END FOR MRS. WINKLER

Still Another Esteemed Portland Resident Gives Tanlac Full Credit for Re- markable Restoration to Health.

"Tanlac is certainly the ideal treatment for stomach trouble and a run-down condition," is the enthusiastic statement made recently by Mrs. Nellie Winkler, a highly esteemed resident of 1940 Charendon St., Portland, Ore. Mrs. Winkler has a host of friends in Portland who will read her statement regarding Tanlac with deep interest and share with her the joy she feels at her recovery.

"For ten years," said Mrs. Winkler, "I suffered so badly from stomach trouble that I was in misery most all the time. I went down in weight from one hundred and twenty to a hundred and three pounds and was in such a weak, run-down condition it was all I could do to keep on my feet. It seemed to make no difference how careful I was or how spar-

ingly I ate, my food always disagreed with me and never seemed to digest at all. My stomach was in an acid condition all the time and I suffered dreadfully from gas, bloating and heartburn. Why the gas was so bad at times it would almost choke me and many a night I was in such distress from indigestion and nervousness that I couldn't sleep a wink.

"Well, Tanlac was recommended very highly to my husband, so he brought a bottle home and asked me to try it, and I must say the treatment has been just wonderful for me. I sit down to the table now and eat heartily of anything I want and my digestion is so fine that I never feel the least touch of sourness, gas or any of the old troubles. My nerves are much better, too, and I am sleeping peacefully every night. In fact, I'm feeling stronger and better in every way and now when I go about my housework and see how much easier it is for me, I can't help but feel very grateful to this grand medicine. I can sincerely recommend Tanlac to anyone."

Tanlac is for sale by all good druggists. Over 25 million bottles sold.

PRESIDENT HARDING'S INCOME TAX IS PAID

COLUMBUS, Ohio, March 15.—The first full year income tax return ever filed by a president of the United States was in the local internal revenue office today—President Harding's report for 1922. An amendment to the income tax law, making the president's salary taxable went into effect when Mr. Harding took office. However, his return last year covered only nine months of his salary.

The story of Cigarette's romance and sacrifice is a fascinating one and Carl Laemmle has given the picture a wonderful production with Tod Browning as the director.

In the cast besides Miss Dean, who is especially well suited as the fiery Cigarette, are James Kirkwood as the impetuous Victor, Ethel Grey Terry as the woman he loves, John Davidson as the Sheikh, Robert Mack, Burton Law and Albert Pollet.

EAGLE POINT EAGLETS

By A. C. Howlett

W. H. Isabel, Benjamin Brophy and wife, Mrs. Walter Marshall of Brownsboro were among the farmers who were patronizing our popular merchant, Fred McPherson the last of the week.

J. Frank Guerin of Portland, a nephew of the three brown brothers of the firm of Geo. Brown and sons, was here the last of the week visiting the three brothers and their sisters, Mrs. S. B. Holmes, Mrs. Lottie Van Scoy and other relatives. Mr. Guerin is in the employ of the Southern Pacific company and makes his headquarters in Portland, but travels a good part of his time.

Sergeant L. Richardson of the U. S. Marine corps of Seattle Washington, and Theodore R. Florey of Portland, son of our late lamented ex-postmaster, J. P. etc. A. J. Florey, also one of the veterans of the civil war and Theo's sister, Mrs. Floy Von der Hellen and her daughter Miss Joyce at the Sunnyside hotel last Saturday. Mr. Florey is agent for the Commercial Co., Portland. Harold Anderson of Medford, Oscar Hansen and his brother, Carl Hansen, were also here for dinner and remained for supper, bed, breakfast and dinner Sunday and at noon were joined by two of their neighbors from Climax at dinner, Mr. Walter Charley and Ed Holman. Mr. Charley and the Hansen brothers are interested in the sawmill business near Climax and are putting up a new sawmill and report that they have a contract to cut two hundred and fifty thousand feet of lumber for the Hartman company, who are developing a shale mining property a few miles above their mill. They report that the shale is very rich with petroleum, that they have already two steam shovels on the way and have a quantity of pipe and two retorts on the way and are planning to lay pipes from there to the nearest railroad. They seemed to think that the terminals will be about Agate or possibly Eagle Point, as they can procure a water grade from the mills to the railroad here. They already have a small force of men at work opening up the mine and getting ready for the steam shovels. Specimens of the rock are at the store of George Brown & Sons, and those who have tested it say that it burns quite freely. If it proves to be as good as the three men, the Hansens and Walter Charley, seem to think it is, it will be a boom for Jackson county.

Among others who were here for dinner Sunday were Earl Miles and George Albert of Butte Falls, Mr. and Mrs. Nate Bates, Mr. and Mrs. Jean Haskins and daughter Jennette, and Elma Reid, all of Ashland; Mr. and Mrs. Percy Haley and his brother, Glenn and wife of Gold Hill, Mr. and Mrs. A. C. Speck, Medford, besides several of our neighbors who call in quite frequently.

Fred J. McPherson reports that Dr. L. L. Innamery and W. S. Smith of Tall, A. C. Radcliffe, Eagle Point, Jasper Hanna of near Trail and Herb Carlton, Wellen, were patronizing his store Saturday.

Among the business callers Monday were J. H. Steele, who has moved into the James Jordan house with Mr. and Mrs. Cahill, A. G. Bishop, one of our leading orchardists, a part owner of the celebrated Ringwood orchard, west of here, R. A. Petty who is on the Vermeron farm, John Norris, the foreman on the J. M. Willey orchard and Miss Inez Willis of Persis, one of our popular school teachers.

Moses D. Vimard, agency manager of the American Central Life insurance company, and C. O. Thomas, associate representative, with offices in Medford, Oregon, were here for dinner Monday.

Among the business callers Monday were C. E. Bellows, wife and baby and Mrs. Robert McCabe, Mr. Barney Goode, who has a homestead on Reese creek. Ralph Beiberstead was in with a team, getting lumber of George Brown and sons, Wm. Fruit of Wellen was getting gas on our popular hardware merchant, Ashpole and Nichols, and Roy Ashpole reports that Frank Hill of Derby had been in trading and also Pete Betts and wife, Charles Fallon and Charles Dexter of Trail; Wm. Merritt of Reese creek; Chris Edler, Lake Creek; Lon and Henry Torne, Thomas Vestal and family, Mrs. Boyen and Wm. Massiar of Reese creek.

Mr. H. G. Smith, proprietor of the Holland Hotel, Medford, was a business caller. I met him in the Brownsboro store and later he called on business at the Sunnyside, but I was out trying to raise Eaglelets for the readers of The Mail Tribune.

Tuesday morning I met Oscar Higginbotham of Gold Hill in the McPherson store and about the same time I met Rube Johnson, one of our land owners and capitalists, and Mr. R. W. Ruse of Medford was also a business caller.

H. C. Galey of Ashland, agent for the Mutual Life Insurance Co., came in Tuesday for dinner, canvassed our town, took supper, worked until bed time and then went home. Mrs. Israel Patton and son, Harold of Butte Falls came out on the stage, took dinner at the Sunnyside and went on to Ashland. Carter Brown of Derby was also here for dinner and went out to Medford. H. B. Shelby of the Baker-Hamilton and Pacific Co., an Francisco, Cal., and M. M. Willis of the Union Oil company, California, were here for dinner Wednesday and so was Mr. and Mrs. L. H. Swink of Butte Falls. They came out on the stage and went out to Medford on their way to Yakima, Washington, where they intend to make their home. They will be greatly missed from Butte Falls, as they have been in the mercantile business for some time, but sold out and went onto a homestead and now have sold out and are leaving many warm friends behind them in and around Butte Falls.

Frank Lewis, our new hardware merchant, received a nice assortment of forks, rakes, etc., Tuesday.

If You Buy GOOD Farm Implements, Why Buy a "Cheap" Piano?

Successful farmers have long ago learned that it pays to buy good tools, implements, machinery, tractors—yes, and good automobiles. In the end they are less expensive than the "cheap" trash which did poor work and which would have had to be replaced. The same is true with Pianos—a good, dependable Piano which will give satisfactory lifetime service cannot be made today to sell at a ridiculously low price. Anything offered at such prices are "near" Pianos, made to catch the unwary, once. It has no musical quality of tone—it gives out within a few months—it sounds tinny—the woodwork warps—the keys stick—it won't stay in tune—it is worse than no Piano at all.

A good, reliable dealer carries Pianos only of true musical worth—his prices are consistent and his terms of payment are so reasonable that you can buy a good Piano just as easily as you can a poor one.

And now, in concluding this letter I am sorry to have to announce to the many warm friends among the readers of the Eagle Point Eaglets that I am forced to desist from being a regular semi-weekly contributor to The Mail Tribune on account of my health, for it requires not only brain work, but a vast amount of muscle work, as well to gather, formulate and write, as I have been doing now for several years, about two columns a week for the criticisms by the public. And in concluding this letter I wish to extend my thanks to the many friends who have so ably assisted me in my labors in that time and also acknowledge the courtesies and encouragement I have received from the entire force connected with The Mail Tribune office. In all of my writing, now for almost sixty-five years as a newspaper correspondent, I have scrupulously avoided writing anything that would offend anyone or mislead any. That I have made mistakes is natural, for they are unavoidable, but I have caused anyone trouble or pain of mind, I ask them to remember that it is human to err, but Divine to forgive. I don't say farewell for if my health permits, I expect to write occasionally for the readers of The Mail Tribune, for I love the work and realize that my work is appreciated, not only by the readers, but by the editor and publishers of the paper as well. So adieu for the present.

Indigestion Unchecked Leads to Poisoning!

If you suffer from indigestion it is a sure sign that your system is being slowly poisoned by the fermentation in the intestine. Chase's K-I-Pills, which, taken in time, will offset the poison in the system. Read what one former sufferer has to say:

Mrs. Lottie J. Dewitt, No. 167 Front St., Port Jervis, New York, writes:

"When I saw your address in the paper I met and saw Dr. A. W. Chase's K-I-Pills and today I feel like a new man."
