

Local and Personal

The fire department responded to a still alarm about 2 o'clock yesterday afternoon caused by a smoky fire in a room in the dwelling back on North Grape street in the rear of the Farmers and Fruitgrowers bank, but there was no fire when the firemen arrived. Chief Elliott when the alarm was turned in by phone, refrained from sounding the fire whistle lest it greatly alarm citizens throughout the city because of the water being turned off. However, all the time during the 24 hours the water was shut off from the city the reservoir was not allowed to go below half full, so as to provide ample water pressure in case of fire necessity.
