

Local and Personal

Prof. C. G. Woodbury, formerly director of the Indiana Experiment Station and now director of the research department of the National Canners association, arrived here this morning to spend the day at the Southern Oregon Experiment Station at Talent. While in the valley he will make a study of the local canneries and the canning situation in general. He is a former college mate of Prof. F. C. Reimer at the Michigan Agricultural college and in charge of the research work department of the national canners organization with headquarters at Washington, D. C.

L. J. Allen, state leader of the Boys' and Girls' Farm Clubs, arrived in Medford this morning from the northern part of the state and addressed members of the high school agricultural class at the high school building this forenoon.

Ted Fish, a former employe of the Standard Oil company has resigned and is now engaged in selling autos and tractors for the C. E. Gates Auto Co.

Mr. and Mrs. Tommy Nichols, Jr. of Eagle Point were among the out of town shoppers in the city Monday afternoon.
