

FAVOR 2 TICKETS FOR DIRECTORS C. OF COMMERCE

At the regular forum of the Medford chamber of commerce tomorrow some action will be taken toward getting two tickets in the field for the election of directors. The object is to get new blood into the active management of the institution and at the same time to get every line of business represented on the board. There is a feeling among those directors who have served for a long time that some of the younger men of the community should be called upon to assume the responsibility of leadership and an active pre-election campaign would undoubtedly bring about such a change.

Dr. S. J. Reid of Portland will be the forum speaker and his subject will be "Correct Emphasis." Those who have heard Doctor Reid have given assurance that the members of the chamber are to be treated to a mighty good talk and a hearty laugh.

The forum will be held at the Hotel Medford at noon and all of those citizens who joined the chamber during the campaign are especially urged to be present.

Woman to Manage City.

WARRENTON, Ore., March 27.—Mrs. R. E. Barrett, Seaside, Ore., business woman, last night filed her formal acceptance with the city commissioners of the office of Warrenton city manager. Mrs. Barrett will begin her duties as city manager here April 15.

MRS. G. W. HALL SICK FOR YEARS

Wants Women to Know How She Was Made Well by Lydia E. Pinkham's Vegetable Compound

Lima, Ohio.—"Indeed, your medicine is all you say it is! I had very severe troubles such as women often have, and could do no heavy work. I was sick for several years, and from reading your ad, I finally decided to take Lydia E. Pinkham's Vegetable Compound. I am now doing my own washing, which I haven't done for several years, and can walk long distances without those dragging pains and weak feelings. The Vegetable Compound is fine, and I never forget to say a good word for it to other women when they say they need something."—Mrs. G. W. HALL, 639 Hazel Avenue, Lima, Ohio.

There are many women who find their household duties almost unbearable owing to some weakness or derangement. The trouble may be slight, yet cause such annoying symptoms as dragging pains, weakness and a run-down feeling. Lydia E. Pinkham's Vegetable Compound is a splendid medicine for such conditions. It has in many cases relieved those symptoms by removing the cause of them. Mrs. Hall's experience is but one of many.

It'll have you off your seats—riding all the way.

PAGE TOMORROW

C. OF COMMERCE TO TANGLE WITH ORCHARD PROBLEM

The directors of the Medford Chamber of Commerce met yesterday at luncheon at the Hotel Medford and transacted a mass of detailed business incident to the membership expansion campaign which resulted in placing new problems before the organization because of the large increase of members.

An election of directors was ordered and this will take place as soon as the clerical work connected with the preparation of same can be completed.

An amendment to the by-laws was ordered submitted to the members at the annual meeting whereby the annual dues will be reduced from \$25 to \$12.50.

The resignation of Benj. C. Sheldon as a director was accepted and as the time for the election is so close at hand the board did not appoint anyone to fill his place.

The payment of an attorney fee for the preparation of the protest against the reopening of the Medford Rate Case as requested by the California Public Service Commission was allowed. The reopening of this case was denied and the reduced rates will go into effect on the 24th of April.

Pre-campaign complaints by orchardists that no effort was being made by the chamber to attract people here for the purpose of developing the orchard possibilities and that nothing was being done toward helping the orchardists to solve their marketing problem were given consideration and it was decided that as soon as convenient for the orchardists the board will meet with them and discuss their difficulties in an endeavor to find a solution for same.

While the directors were in session the application for membership of Jesse Winburn of Ashland was handed to them which brought up the total number of members to 643.

U. S. Savings System For Small Investors

A very attractive booklet issued by the U. S. Savings System tells what the government is doing to encourage the people to practice economy and thrift. About twelve years ago the Postal Savings System was established. During the war the national savings movement grew in importance when war savings stamps and certificates were sold to persons of small means who wanted a safe investment, and who patriotically wished to meet the requests of the government for money to carry on the war. But these savings securities were not adapted to after-war conditions. The government savings system was reorganized and treasury savings certificates were issued to take the place of war savings securities. It is conducting a campaign of education to teach the people to save; and it is offering for sale a sound, safe and convenient form of investment in denominations within the reach of all, and which are fully explained in the booklet. See ad in this paper with coupon to secure the booklet.

INGROWN TOE NAIL

How to Toughen Skin so Nail Turns Out Itself

A few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night. "Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

Acrobatic Star, Page Many movie stars have "leaped" into fame but Douglas MacLean, who appears with Madge Bellamy in Thomas H. Ince's comedy drama special, "The Hottentot," at the Page theater, beginning tomorrow matinee, claims he is the first to "somersault" into headlines.

MacLean pulls a stunt, said to be one of the most novel ever screened. Riding on the running board of an

Douglas MacLean in "The Hottentot."

auto which hits a deep rut, he is somersaulted into the air and descends on the back of a riderless horse while his galloping madly alongside the car. The first horse used during the filming of this stunt became so excited as it raced the car that it crashed into the auto and broke a leg. The stunt went off successfully with the second horse.

"Back Home and Broke"

Thomas Meighan in "Back Home and Broke," a comedy drama full of laughs and human interest of the small-town type which appeals to everyone, is the attraction now causing rousing gales of mirth to issue from the Page.

Written especially for the star by George Ade, one of America's foremost humorists, the story plays upon the heart strings with an effect such as only a student of human nature like Mr. Ade could obtain.

Lile Lee has the role of a small-town sweetheart. Other players are Maude Turner Gordon, Cyril Ring and Laurence Wheat.

"Minnie" at Rialto

The Rialto theatre will have as its big attraction tomorrow Marshall Neilan's latest production, "Minnie." Neilan seems to have the genius of Dickens for placing before the public real human incidents and make his characters perform entertainingly and through fine contrasts in thought and actions bring out delightful comedy and drama.

Leatrice Joy and Matt Moore are featured in "Minnie." In the cast will be seen also George Baranum, Josephine Crowell, Helen Lynch, Raymond Griffith, Richard Wayne, Tom Wilson and George Dromgold.

OBITUARY

WALTON—Kate Walton passed away at the home of her daughter, Mrs. L. L. Stover, 808 Dakota street, at 6:15 this morning. Death came as a result of heart trouble.

Mrs. Walton was born in Roch- port, Missouri, Feb. 14, 1858. In 1878 she was married at Waverly, Mo., to Anthony R. Walton, now deceased.

She had been a resident of Jackson county for the past 7 years, and resided at the Berkeley orchards until three weeks prior to her passing.

She leaves two sons and two daughters, Mrs. L. L. Stover Medford; Mrs. T. L. Kelly, Kansas City, Mo.; L. J. Walton, Medford, and A. T. Walton, Trinidad.

Funeral services will be held at Congers chapel at 1:30 Thursday. Remains will be forwarded Thursday evening to Oakland, Cal., where interment will take place. Rev. E. P. Lawrence will have charge of the service.

SALES—Frances Schnidling Sales daughter of Mr. and Mrs. Augustine Schnidling passed away in Portland March 26. She was born in Jacksonville, but had been a resident of Portland for the last 16 years, at which place she was married to Charles Sales. She leaves four brothers and one sister: William, Arthur and Ray Schnidling of Portland, Mrs. O. Reagan and Edward Schnidling of San Francisco. Remains will arrive in Medford at 10:30 p. m. tomorrow, and funeral arrangements in charge of H. W. Conger, funeral director, will be announced later.

Big Sale at Thrift Shop

Don't forget to attend the big spring opening of Thrift Shop on Wed. Mar. 28, from 9 a. m. to 5 p. m. Hats, summer goods, shoes and many other articles at very reasonable prices. Hot tamales will be served. Come and see what work the Thrift Shop is doing in your community whether you buy or not.

An ounce of gold means 20 hours work in wages in the United States; 50 hours in Great Britain, 100 hours in France and 200 hours in Germany.

GARDNER ELECTED HEAD OF J'VILLE C. OF COMMERCE

Jacksonville perfected a chamber of commerce organization last evening at a meeting of some seventy-five citizens of that community. They adopted a constitution and by-laws and elected Judge G. A. Gardner as president; Frank Salisbury, vice president, and V. J. Beach as secretary.

An endeavor is being made to get the use of the old U. S. Hotel building and install club features with shower baths and other conveniences. Next Monday a program of a clean up of the streets of Jacksonville will be formulated and the chamber has gone on record to cooperate in the state-wide plan of agricultural development as being advocated by the Oregon State chamber of commerce.

Paul B. McKee and H. O. Frohbach were invited to address the chamber and both advocated a united action of the people of Jacksonville with Medford and all other communities in the county for general development of the latent resources of Jackson county.

In LOS ANGELES it's

by 250%

On a busy Los Angeles street corner a checker stood and asked 150 passing motorists "Which gasoline do you use?" 63 answered "Red Crown," as against 18 for the next highest brand—a lead of 250%.

Because "Red Crown" is an all-refinery gasoline every drop of which vaporizes rapidly and uniformly in the carburetor, and is completely consumed in the cylinders, giving quick starting, smooth acceleration and maximum mileage, "Red Crown" is the popular motor fuel everywhere.

MEDFORD BOOKLET IS NOW ASSURED

As an appreciation of the splendid work done by the citizens of Medford during the past week in building up the membership of the Medford Chamber of Commerce, the directors of this institution passed a resolution thanking each individual connected with the campaign for making possible this splendid success.

The ladies, who so faithfully worked during the drive were given spe-

cial mention, as were the D. O. K. K. band and the Oregon State Chamber of Commerce for the assistance rendered. Emil Mohr and the employees of the Hotel Medford were extended thanks for their cooperation in making the big civic dinner the success it was as well as the series of luncheons for team workers that were held during the week.

The campaign was more of a success than the one conducted three years ago by the American City Bureau which cost this community the sum of \$4,222. This sum is now saved to the citizens of Medford and will undoubtedly be used for the publication of a good booklet advertising the valley to prospective settlers.

"Cascarets" 10c
