

Drugs Excite the Kidneys, Drink Water

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. By all means have your physician examine your kidneys at least twice a year.

N. METHODISTS WIN BASKETBALL LEAGUE PENNANT

The North Methodists took the last game of the Y. M. C. A. league season from the Baptists Monday night at the Y. M. C. A. hall on North Riverside. By doing so they came into possession of the championship pennant of the league and are proclaimed champions over the four other teams in the lineup.

The contest was hard fought and marks the close of a most successful season. Twenty games have been played, the old Basket Grocery left having been fitted up for the purpose. The entrance fee of \$1 from each team and the gate money has served to carry all the expense of the season with a small surplus for the opening of the baseball season. Rent, wiring, light globes, baskets and backboards and incidental expenses have brought the expense for the season to about \$100.

Comment has been frequently heard concerning the general benefits of the Y. M. C. A. league. Sixty to seventy-five young men have been given whole some exercise and recreation under the best of supervision and control over a period of ten weeks. Affiliation with some church has been strictly adhered to as an abiding principle of the league. For the most part the athletes participating would not otherwise have had opportunity for playing at all, or at most in a desultory manner, as the "outlaw" or "free lance" team is always a delusion and a disappointment. In a word, the league has been a demonstration of the possibilities of community or church athletics with the Y. M. C. A. as a neutral and parent organization to direct and control them.

A meeting will be held Friday night at 7:30 at the library lecture room to which all team members and adherents, managers, pastors and Sunday school workers are invited. Business in connection with the closing of the league and the plans for the opening of the baseball season will be discussed. A committee will also be appointed to arrange for the basketball banquet which will soon be held.

In the first game last night the Presbyterians were opposed to the South M. E.'s. The Presbys put up a game fight as usual, but were defeated. They have developed into a fast aggregation and will make a strong bid for first honors another season. Their clever passing has been a delight to the gallery during the more recent game. The Presbyterians were hampered last night by the absence of Conrad.

The South M. E.'s were ably assisted by Whipple, who has been absent from town during most of the season. At forward he accounted for a good proportion of the baskets. Pickle at guard was another new man. The South Methodists are a team of old and experienced men who have played consistently throughout the season. The loss of Vimont some time ago was the turning point in their unbroken string of victories, however, and the acquisition of Whipple came too late to make them contenders for the pennant recently.

The lineup:
S. Methodists 15. Presbyterians 36

GIRLS! BEAUTIFY HAIR AT ONCE

Try This! A Gleamy Mass of Luxuriant Hair

In a few moments you can transform even plain, dull, flat hair. You can have it abundant, soft, glossy and full of life. Just get a 35 cent bottle of "Danderine" at any drugstore. Then moisten a soft cloth with the "Danderine" and draw this through your hair, making one small strand at a time. Instantly, yes, immediately, you have doubled the beauty of your hair. It will be a mass, so soft, lustrous and so easy to do up. All dust and excessive oil is removed.

Let "Danderine" put new life, vigor and brightness in your hair. This stimulating tonic will freshen your scalp, check dandruff and falling hair and help your hair to grow long, thick, strong and beautiful.

Referee: Jewett, Central Point.
The second game was of course the point of interest, as it decided the championship. The Baptists gave all that they had. The Neff trio and their comrades can not be said to have quit in any sense. They played fast and furiously, but the North M. E.'s forged slowly ahead and could not be overtaken.

Bateman at center for the Northerners showed up well. Steel played a good game at standing guard and Howard Glasscock did consistent passing.

Every man on both teams did his best to win. Good sportsmanship was shown throughout the game.
The Methodist boys are to be congratulated upon their success. They were not strong contenders either in the basketball or baseball of last year and have carried on this season thru clean and hard play. The pennant will be presented formally at the banquet to be arranged for soon.

The lineup:
N. Methodists 24. Baptists 10.
Hurt F. Waldron
Glasscock, H. P. Neff, Adial
Bateman C. Neff, Asher
Evans G. Neff, F.
Steel G. Smith

Referee: Jewett, Central Point.
Mr. Jewett, superintendent of schools at Central Point was brought over as a neutral referee and handled the game in his usual acceptable and efficient manner.

Team standings at the end of the season are:

	Played	Won	Pct.
North Methodist.....	8	6	.750
South Methodist.....	8	5	.625
Christian.....	8	5	.625
Presbyterian.....	8	4	.500

'HOTTENTOT' THRILLS PAGE AUDIENCES

"The Hottentot," sponsored by Thomas H. Ince and entered by him in the screen sweepstakes for the comedy championship of all time, flashed across the screen at the Page theater yesterday for the first time in Medford, and won by many lengths.

Those who have heard of the success of "The Hottentot" as a stage play expected much of this pictureization with Madge Bellamy and Douglas MacLean in the leading roles; their fondest hopes were more than realized. "The Hottentot" is a winner—it is the Man o' War among comedy films.

"The Hottentot" as a picture contains what Page patrons acclaim as the most spectacular acclamation ever filmed; a steeplechase between blooded horses of rarest pedigrees. This sequence could only be described on the stage; it is shown in all its exciting detail in the picture.

Madge Bellamy reveals new talent along comedy lines and taps a vein of sweetness and charm. Douglas MacLean will take rank with the most eminent farceurs of all time by his pictureization of the unfortunate hero of the story who fears all horse flesh but whose love forces him to ride the wildest entry in the steeplechase—and who wins this most exciting race.

Raymond Hatton co-operates with the featured players to win laugh after laugh and giggle after giggle. Truly Shattuck, Lila Leslie, Martin Best, Dwight Crittenden, Stanhope Wheatcroft, Bert Lindley and Harry Barker, the other members of the supporting cast, help to maintain the comedy speed at a high pitch.

"Minnie," at Rialto
In Marshall Neilan's "Minnie," Leatrice Joy is indisputably the homeliest girl in town, but after all "beauty is only skin deep" and the sympathetic touch which an audience can't help but feel if it witnesses her portrayal the lonesome little girl, brings home forcibly that time-worn expression. Full of humorous high spots and unusual situations the swift moving action is an interest holder and Marshall Neilan's productions can still be rated as first-class if this, his latest, can be taken as an indication of the quality of his releases.

Not only is Leatrice Joy as "Minnie" rather extremely homely, but the picture has a homely atmosphere. Its settings are simple, yet highly effective, and a supporting cast insures the success. George Barnum as Minnie's father, the eccentric old inventor, strikes a pathetic keynote during his repeated failures in spite of his comedy role.

This successful bill is the current attraction at the Rialto theater.

AUTO RACES DATES JUNE 15-16, PURSES TO TOTAL \$5000

Five thousand dollars will be the purses offered in the two day automobile and motorcycle race meet which will be held at the Jackson County Fair grounds on June 15th and 16th. The Jackson County Fair association, who will conduct these races, at their meeting last evening appropriated \$3500 for this purpose to which will be added the entry fees and in so doing will make the total purse for the two days at least \$5000.

George Gates and Seeley Hall of the race committee met with the directors and they were given authority to make up the program and accept the entries under the rules and regulations they have formulated. One thousand signs, similar to those used on automobiles last year to advertise the county fair, were ordered purchased and a publicity program extending as far north as Portland was outlined.

The financing of another unit of grand stand was placed in charge of the building committee. It is the intention of the members of this committee to have this additional unit completed before the June races.

On account of the fair association getting a special appropriation from the legislature for premiums, the directors ordered a revision of the premium book and an endeavor will be made to publish this book as soon as possible in order that those interested in making entries may have the full information at hand long before the fair takes place. The fair this year will be held on the 12th, 13th, 14th and 15th of September.

HILLSIDE ADDITION EDGEWOOD PARK

D. E. Millard has added an addition to Edgewood Park, on Rogue river to be known as "Hillside Addition." It lays directly across the river west from the original park and contains 12 lots fronting on Rogue river 100 feet and running back several hundred feet to the old Crater Lake highway, each lot having free access from the road. These new lots face the east and the on a hillside are very scenic and covered with large beautiful oak and pine trees.

Mr. and Mrs. Klockner have purchased three of these lots for their summer home and wild flower preserve. Lewis Ulrich has also purchased a lot in the new addition and expects to build a cottage at once.

In the original Edgewood park plat there are 22 lots, of which all have been sold but five. Some of the latest lot purchasers are Mr. and Mrs. A. E. Lyman, Albert E. Orr, Fred W. Weeks, and B. J. Palmer.

A three room cottage is being completed this week by E. G. Trowbridge on his lot in the park, and a number of others expect to build shortly. Mr. Millard expects all the lots to be sold by the tenth of April. The entrance to the park is being completed this week and with the road graveled will make an all year outing park.

The idea for this beautiful summer home site park was a quiet restful place reached on a splendid highway in 40 to 50 minutes drive for a class of citizens that appreciated outdoor beauty and whose interest in its preservation would insure a permanent beauty spot for many years to come.

The federal prohibition bureau is asking for an appropriation of \$100,000 to make a census of drug addicts in this country.

Kidney and Bladder Troubles Conquered or Money Back

For 40 years, said Dr. Carey, I have prescribed my Prescription No. 777 (known for years as Marshroot) for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price, on the money back if dissatisfied plan.

Beware of kidney disease—thousands die of it every year who ought to be enjoying the blessings of life and health. Watch the symptoms. If you have specks floating before the eyes, puffy eyes, clammy feet or moist palms, backache or sideache, you ought to get a bottle of Dr. Carey's famous Prescription No. 777 right away.

It has wonderfully benefited tens of thousands of cases of kidney and bladder troubles and is the medicine you can always depend upon. Results are guaranteed.

NOTE—Dr. Daniel G. Carey was a practicing physician for many years and his great Prescription No. 777 aided thousands of sufferers from kidney and bladder troubles. Hereafter you can always get this effective prescription in both liquid and tablet form at Heath's Drug Store and West Side Pharmacy and all reliable pharmacists the country over.

NOTICE To Exterminate Ground Squirrels

Every person, firm, co-partnership, company or corporation residing on, owning, leasing, occupying, possessing or having charge of or domain over any land, building, wharf or dock infested with digger ground squirrels in Jackson County, Oregon, is hereby notified to begin at once to effectively exterminate and destroy all such DIGGER GROUND SQUIRRELS.

The following poison for mixing and instructions for use thereof is the method most expedient and effective to be used for the extermination and destruction of such ground squirrels and is hereby recommended, to-wit, alkaloid strychnine used on either barley or wheat, barley preferred, mixed according to the following formula and manner, to-wit: Barley, clean grain.....16 quarts Strychnine (powdered alkaloid).....1 ounce

Bicarbonate of soda (Baking soda).....1 ounce

Thin starch paste.....1/2 pint

Heavy corn syrup.....1/2 pint

Glycerine.....1 tablespoonful

Saccharine.....1-10 ounce

This material should be mixed as follows: Mix thoroughly 1 ounce of powdered strychnine (alkaloid) and 1 ounce of common baking soda. Sift this into 1/2 pint of thin hot paste and stir to a smooth creamy mass. The starch paste is made by dissolving 1 heaping tablespoonful of dry glass starch in a little cold water, which is then added to 1/2 pint of boiling water. Boil and stir constantly until a clear thin paste is formed. Add 1/2 pint heavy corn syrup and 1 tablespoonful of glycerine and stir thoroughly. And 1-10 ounce of saccharine and stir thoroughly. Pour this mixture over 16 quarts of clean barley and mix well so that each grain is coated.

One quart of the poisoned grain mixed as aforesaid is sufficient for forty or fifty baits and this quantity scattered along squirrel trails or on clean hard places on the surface about the holes will not endanger stock. Strychnine in any form other than the powdered strychnine (alkaloid) is not effective in the above formula.

From the date hereof until May 1st is the most effective time to poison and destroy the digger squirrels, as they are just emerging from their hibernation. They are hungry and food is scarce.

The County Court of Jackson County, Oregon, has secured a large amount of strychnine and the other ingredients necessary for the mixture, and a quantity thereof has been mixed and is now on sale to the farmers or persons interested at actual cost and may be had by applying to the undersigned at his office in the Liberty Building, or at the following places:

Ashland Fruit Association, Ashland.
Brown's Store, Talent.
Phoenix Mercantile Co., Phoenix.
Rogue River Fruit & Produce Association, Medford.
Flick Store, Jacksonville.
Pernell Store, Applegate.
Paxson Drug Store, Central Point.
Brown Bros., Eagle Point.
Brownboro Store.
Bowers Drug Co., Gold Hill.
Fred O. Kelly, Rogue River.
Table Rock Store, Table Rock.

If any person herein designated shall within thirty days from the first publication of this notice, fail to begin in good faith to exterminate, eradicate and destroy, according to the method aforesaid, or by any other effective means said ground squirrels herein designated, the County Court of Jackson County, Oregon, will appoint a person or persons to proceed with the extermination and eradication of such ground squirrels, and the cost thereof incurred will be assessed to such land, building, wharf or dock, and unless paid will become a lien against the same, for the extermination of said ground squirrels.

This notice is published pursuant to the statute in such case made and provided and for two consecutive weeks or three issues, and all persons described therein are required to take notice thereof.

Dated and first published this 15th day of March, 1923.

C. C. CATE,
County Agent for Jackson County, Ore.
