

SALVATION ARMY LEADERS VISIT

Colonel and Mrs. W. J. B. Turner, territorial chief secretaries, assistant leaders of the Salvation Army in the western states and the Hawaiian Islands and Staff Captain Winterbottom, divisional commander for the state of Oregon will visit the city Sunday afternoon and evening for inspection and to conduct a very special Easter service at the Salvation Army hall in the evening at 7:30 p. m.

The Colonel and Mrs. Turner have given nearly 40 years' service each to humanity as Salvationists. The Colonel is a man of broad vision and the nature of his position requires him to travel very extensively.

A baby boy will be given away at the Sunday evening service. The little tot is 9 months old, healthy and bright. The one into whose care it goes must be fully qualified to supply its every need, temporal and spiritual. Parents are very particular as to its future care and training. Some have made inquiries already as to the baby's parents and so on.

The visiting officers will conduct a special meeting for children Sunday afternoon, assisted by the local officers, Captain and Mrs. Ford. Two surprises have been arranged for all children who attend. A record crowd is expected at the extra special gathering conducted by the visiting officers.

Take advantage of this special opportunity to hear these army leaders. They come highly recommended. Come early to get a seat.

CAPTAIN C. FORD.

Whereas, the foremost tenet of this organization is "Good Sportsmanship," which term is synonymous with high honor and square dealing; and

Whereas, at the annual banquet of the Jackson County Game Protective association held at the Medford Hotel in Medford, Oregon on February 3rd, 1923, attended by three hundred and fifty members and guests, Governor W. M. Pierce was the guest of honor, and by unanimous vote was made a life member of this association; and

Whereas, to our amazement and profound regret said W. M. Pierce has willfully violated his voluntary and unsolicited word of honor given to the officers and members of the association, thereby being guilty of most reprehensible, unpardonable, unsportsmanlike, and untrustworthy conduct, exhibiting a deficiency in both knowledge and practice of honorable and manly dealing, upon which all affairs, either business or governmental must be erected, and for which our organization primarily stands;

Therefore, be it resolved, that the name of W. M. Pierce be stricken from the membership roll of the association, as entirely unworthy and unfit to be and continue as a member. That the life membership of W. M. Pierce in the association be, and is hereby, cancelled and annulled, and the secretary be and is hereby instructed to mail W. M. Pierce a copy of this resolution.

PERSONALS

A large number of Ashland young people were present last night at the De Molay dance at the Nat. There was an excellent crowd and the Fan Tan orchestra furnished music for the affair. Dancing started at 8:30 and it had been planned to stop at 11:30 but the crowd was in favor of continuing until midnight. It was one of the most successful affairs ever put on by the local chapter of the order.

"Chick" Hawk was again among the successful fishermen when he landed two steelhead yesterday while fishing on the Rogue. Each fish weighed 6 1/2 pounds and both were caught on a No. 1 copper-nickel spinner. They are on exhibition in the window of the Crater Lake Hardware company. James Beddingfield accompanied Hawk and caught a specimen which made a suitable match for the two taken by Hawk.
