## SCREEN

Wonderful Picture, Page

"Quincy Adams Sawyer" is now in its next to the last day at the Page theater. The simplicity of the plot barely skirts the melodramatic line, but catalogues with fidelity the lives of simple, unaffected folks, living their really uneventful lives in a simple way, enhanced as it is with considerable local color—to say nothing of a tender romance that carries just sufficient conflict to give it balance, make "Quincy Adams Sawyer" immensely enjoyable.

The suspense is gripping as you wonder whether Sawyer, astride the horse, will reach the raft in time, and rescue the blind girl before she is mercilessly hurried into the falls below.

The romance is exceptionally appealing and really is the outstanding high light.

"The Stranger's Banquet." Rialto "The Stranger's Banquet" now in its next to the last day at the Rialto theatre, is drawing very big crowds. The picture is big in theme and big in execution, and employs one of the most imposing casts that has been seen recently. Among them are Hobart Bosworth, Thomas Holding, Nigel Barrie, Claude Gillingwater, Rockliffe Fellowes, Jean Hersholt, Ford Sterling, Cyril Chadwick, Claire Windsor, Eleanor Boardman, Aileen

Pringle, Lucille Ricksen and Eugenia Densser and these are only a few.

## Did Winter leave you with that tired feeling?

WINTER'S confinement, with its lack of pure air and sunshine, shows its effect in Spring. To be underweight, easily tired, listless, and have a poor appetite, indicates a weakened condition of the blood. Nature must have help—your blood is minus fighting strength! More red-cells mean cleaner, purer, richer blood. S. S. S. builds red-blood-cells. It builds blood-power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils. It fights skin eruptions! It always wins! It builds nerve-power—thinking power. It builds up run-down, tired men and women, beautiful complexions, and makes the flesh firmer. Stronger and more useful nerves depend on blood-power. S. S. S. will give you that greater endurance, energy and strength!

Try it yourself. S. S. S. is sold at all good drug stores. The larger size is more economical. Get a bottle today!
