Medford and vicinity was on its good behavior during March as is shown by Police Judge Taylor's report to the city council for that month, but police business this month has been picking up considerably. During March not a single case was docketed in the police court. Five cases were investigated by that court but not docketed. No fines or cash bail was collected by the court in March.

DOUBLY PROVEN

Medford Readers Can No Longer Doubt the Evidence.

This Medford citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Mrs. W. F. Longwill, 504 N. Grape St., Medford, gave the following statement March 17, 1913: "Some time ago I gave a statement telling of the good Doan's Kidney Pills had done in our family. Since that time, I have had occasion to use them myself and they helped me. I had kidney weakness and a dull rheumatic misery in the small of my back that was most depressing. Doan's soon removed the trouble."

On March 23, 1920, Mrs. Longwill said: "Doan's Kidney Pills are a splendid remedy and I use them occasionally to keep my kidneys in good order."

The state income tax law will be on the state ballot for a referendum vote next November. That appeared certain this afternoon when R. W. Hagood, manager of the "Oregon Just Tax" league, announced that 14,000 names had been secured to the referendum petitions. Work of securing signatures has stopped. The petitions are now being checked in county clerks' offices throughout the state, and in about two weeks, when checking is completed, the petitions will be forwarded to the secretary of state. As only 8437 registered voters are required to sign the petitions there seems little likelihood of there not being enough to call for a referendum. —Portland Journal.

Portland Man Gained 21 Lbs. Taking Tanlac

G. W. Lewis Declares Famous Medicine Ended Long-Standing Stomach Trouble, Restoring Health, Strength and Vigor.

When a medicine produces results, its praise is sure to be heard. That is why G. W. Lewis, well known night watchman for the Willamette Iron & Steel Works, living at 847 N. 22nd street, Portland, as well as hundreds of other Oregon people, so readily speak up for Tanlac.

"Tanlac did such fine work in my case," said Mr. Lewis, "that I can recommend it in the highest terms. For several years I had been suffering from stomach trouble and a run-down condition. My appetite called for very little, and after meals I would bloat up with gas and be in terrible pain and misery. I lost weight so fast that I fell off from one hundred and eighty to one hundred and fifty-nine pounds before I knew it. I began to have rheumatism in my legs so bad that it was an effort for me to make my rounds and after being on the job all night I came home so worn out it took half the day for me to get to sleep.

"I wasn't able to get any relief until I finally hit upon Tanlac, but this treatment put me in fine shape, and I have been taking it off and on for the past two years just to keep in perfect trim. I certainly do full justice to my meals now, and my weight has gone up to one hundred and eighty pounds. I sleep like a log when I get in from work, and although I'm rounding out my sixty-ninth year, I don't feel a day over thirty-five. Other people, of course, can have the medicine they want, but I'll take Tanlac for mine every time."

Tanlac is for sale by all good druggists. Take no substitute. Over 35 million bottles sold. Adv.
