INVITE HARDING TO STOP IN MEDFORD

An effort is being made to have President Harding include Medford on his itinerary when he visits the coast the first of July. The president only desires to make a few speeches and as there are a large number of requests it is hard to arrange for a stop, but every effort is being made to do so.

The following message was received today by the republican committee from Senator Chas. L. McNary: "I shall call on President Harding and request him, in person to arrange his itinerary to stop at Medford as requested by you. I am keenly interested in the development of the Rogue River valley and desire the president to view its beauties and resources."

SPECIAL SERVICE AT CENTRAL PT. CHURCH

At the request of the Federated church of Central Point, Rev. Mr. Beattie, pastor, and a gospel team from the Presbyterian Men's club, will have charge of the service at 11 a. m. In the morning, as the pastor is away attending an Epworth League convention. Three or four men will make up the team, giving talks on the value of Bible classes and Bible study—also short gospel talks and personal experiences. A team of the men will also hold services at the Sam's Valley school house in the afternoon at 3 p. m. to which the people of the valley are invited. Mr. Frank Smith will accompany the team and will sing—playing his own accompaniments on his little, but powerful, Blithorn organ.

5-Minute Breakfasts

Quick Quaker Oats make them possible

Now your oat dish can be ready in five minutes, if you wish. There is a Quick Quaker Oats which cooks in 3 to 5 minutes.

It is just like the Quaker Oats you know in quality and flavor. It is flaked from queen grains only—just the rich, plump, savory oats. We get but ten pounds from a bushel.

But the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And the small thin flakes cook quickly.

Your grocer has both styles. If you want the Quick Quaker look for "Quick" on the label. You will get the quickest cooking oats in the world.
