

### VIRGIN RADIO TO BE ESTABLISHED AT NATATORIUM

In addition to the elaborate changes now under way at the Natatorium and grounds in establishing one of the best auto camps in the United States in its conveniences and recreation features, now comes the news that W. B. Virgin, the radio man, and Walter D. Merrick have just completed a deal by which Mr. Virgin will move his radio outfit valued at \$2,500 from the county fair grounds and establish it at the Nat.

They will spend from \$1000 to \$1500 in enlarging the radio plant, making it one of the very best on the Pacific coast, and Mr. Virgin will leave tonight for Portland to purchase the additional equipment. The plant will be all ready in its new location in about three weeks.

It is the plan to give daily programs at the Nat for the benefit of the auto tourists stopping there, afternoon and evening, with a special program after 11 p. m. The programs will consist of concerts, news matters and crop reports.

The broadcasting room will be in the small hall of the Nat which is being fitted up for that purpose. A loud amplifier will be mounted on top of the big building so that radio features can be heard all over the grounds.

Seeley V. Hall has become associated with the Merrick brothers in the Nat auto camp, radio and other features in connection. Tom Swem will transform the top of the Nat into a huge roof garden, as one of the auto camp features, and will be interested in the Merrick brothers' ventures.

The main lower part of the Nat, outside of the big swimming tank, is being transformed into kitchen, dining, sewing and recreation rooms, and shower baths for the comfort of the tourists. The grounds are being beautified with lattice work, a fountain and other features, and a croquet playing enclosure will be established.

Twenty-five small screened in bungalow houses have already been built and five more will be constructed, each to be furnished with comfortable beds and bedding. Any tourists who prefer can camp out on the grounds, instead of occupying one of the bungalow houses, at a small daily charge.

Of special interest to the local public is that the large swimming tank of the Nat. will be open to the public as usual during the season.

An additional feature of the Nat auto camp will be the doing of the laundry of auto tourists daily free of charge.

**Quake in California.**  
SAN BERNARDINO, Cal., April 23. Two distinct earthquake shocks were felt here and in Redlands at 1:13 a. m. today. No damage has been reported, but the shock knocked dishes off shelves in Redlands.

In the list of prize winners for the Jackson county dental essay contest, fifth and sixth grades, Medford, printed Saturday, the name of the first prize winner should have been Gerald Hartsock, 6A, Jackson school.

### KING TUT'S MEET TUT-TUTS, HORSE SHOE TOURNAMENT

The King Tutts vs. the "Tut-Tuts," in other words, dads vs. boys, both sides endeavoring to place the equine onefords around the peg from a distance will be the chief sporting event of the week. Tomorrow afternoon the boys will meet the dads, both sides 15 strong, on the banyard golf links at the Beeson play grounds.

Coach Lyman of the King Tutts announced this morning that all of his players are in the proverbial pink, and that he has scores of substitutes who have been tossing the equine footwear so long that they can make two fingers out of three throws with their eyes closed. He predicts a complete and overwhelming walk away.

There will be some real ability shown in the ranks of the high school lads if they beat the King Tutts. Coach Durno says that they have practiced for two days pitching horse shoes, which is plenty of time for them to gain a 99.45 per cent average of proficiency in any game. When he heard of Coach Lyman's announcement this morning he merely showed his teeth and articulated two syllables with the air of one pronouncing a death sentence, "Tut-tut."

### FIRST SHIPMENT OF C. T. C. TIRES RECEIVED

The first shipment of C. T. C. tires, product of the Columbia Tire corporation, a new Oregon industry, has been received at the local branch and will be on display Tuesday.

To welcome this new Oregon product to Medford a number of the downtown merchants have offered window space to show the tires. This is done with the spirit of encouraging a home industry, the need of which can best be realized when it is learned that last year the state sent out seventeen million dollars for tires alone.

The output of the first unit of this new factory, when in full production, will be three and one-half million dollars per year, or only one-fifth of the state consumption. While at present this out put will be marketed only in Oregon and Washington, the logical ultimate field of distribution will be the nine western states, now using one hundred and eighty million dollars worth of tires annually. From these states the company hopes in time to bring back to Oregon each year the amount we spend for tires.

The local branch at 6th and River-side will open for business Tuesday morning and Mr. Aya, manager, extends a cordial invitation to the public, motorists or otherwise, to come in and inspect the tires.

### MRS. JOHN DENISON PAINFULLY INJURED

Mrs. John Denison met with a painful accident shortly before noon today at her home on South Holly when she caught her hand in an electric wringer. Before the machine could be stopped the flesh was torn from her index finger and thumb in some places as deep as the bone. Lacerations were torn loose and the attending physician found it necessary to take eight stitches in the injured member.

"The Fighting Streak"  
Tom Mix is one of the few men on the screen today who refuse to be what is known in motion pictures as "a ready-made hero." He insists on performing his screen heroics under the most difficult circumstances; always getting himself snarled in genuine perils and nerve-racking situations. Then, while the audience looks on with bated breath, he calmly extricates himself by the power of his own muscles and wits.

His latest picture, "The Fighting Streak" is an admirable example of all this. It opened at the Rialto theater yesterday.

Program for Page Tomorrow  
Becky Sharp, who is the central figure in Thackeray's most famous book, lives upon the screen in Mabel Ballin's delineation of her in Hugo Ballin's picture of "Vanity Fair," which was shown at the Page theatre yesterday and which will be played again tomorrow matinee and night, giving away tonight to Elsie Ferguson in "The Wheel of Life." Miss Ballin is an eye-filling picture as the green-eyed and clever little Becky who lived by exercising her wits and her wiles upon her many masculine admirers.

In addition to Miss Ballin, there is Robert Bosworth as the Marquis of Steyne. The other roles are taken by Harrison Ford, Earle Foxe, George Walsh, Eleanor Boardman, Willard Louis, Robert Mack and a score of others.

### CLEVELAND LEADS AMERICAN LEAGUE, GIANTS, NATIONAL

CHICAGO, April 22.—(By the Associated Press)—Major league baseball completed its first week yesterday finding the New York Giants leading the National league with six games won and one lost, while Cleveland was on top for the Americans with five straight victories. The Giants celebrated their sixth successive shutout over Brooklyn in which five errors by the Dodgers contributed to their downfall. Scott hurried a good game for the Giants and Frankie Frisch aided with his bludgeoning with four singles out of five trials.

In the American, Cleveland shut out Ty Cobb's Tigers 1 to 0 in ten innings and maintained a spotless record of five wins. The Chicago Cubs won their fifth consecutive game in a heavy hitting contest from the Cards.

The Pittsburgh Pirates ran amuck and scuttled the Cincinnati Reds in a free hitting affair. The Pirates scored two runs or more in each of the last four innings and the Reds were unable to stop the onslaught.

Barnhart connected with a home run.

The Yankees lost their first game of the season to Washington and Walter Johnson and had 50,000 customers in their new stadium. Babe Ruth went hitless and walked twice and an error by the Bambino contributed to the defeat. Scott of the Yanks put out a four base drive. A squeeze play enabled the White Sox to win their first of the season at the expense of the St. Louis Browns. Willie Kamm, the \$100,000 third baseman, helped the White Sox along with two singles.

**American.**  
Chicago 4; St. Louis 3.  
Washington, 4; New York 3.  
Cleveland 1; Detroit 0. (10 innings.)

**National.**  
New York 10; Brooklyn 6.  
Pittsburg 15; Cincinnati 5.  
Chicago 5; St. Louis 7.

**Coast.**  
Seattle 2-5; Los Angeles 3-4.  
Portland 7-3; San Francisco 6-1.  
Oakland 7-7; Sacramento 9-9.  
Vernon 8-2; Salt Lake 4-12.

### FLOYD JOHNSON TO MEET FRED FULTON TONIGHT

NEW YORK, April 22.—Floyd Johnson, the most recent heavyweight sensation, and Fred Fulton, the Minnesota plasterer who has been fighting nearly into prize ring oblivion in recent years, will meet in Jersey City tonight in a twelve-round bout to determine which will meet Jess Willard, former heavyweight champion, on the milk fund card in the Yankee stadium May 12.

The fight to the winner, is to be the stepping stone toward a match with Champion Jack Dempsey for the victor of the milk fund engagement will be in a position to demand that the champion give him an opportunity to lift his crown.

Johnson, while the favorite, is staking his chances on meeting Willard and garnering \$25,000 on the outcome of the fight. He had been guaranteed this amount to meet the former champion before he was matched with Fulton.

Fulton will get nothing in meeting Willard but the opportunity of "coming back" in fighting the former champion should he be the one to face the big Kansan. He has agreed to fight at the milk fund event for nothing in the hope that he will have a chance to prove that he still is to be counted among the heavyweights who can demand a match with Dempsey.

As New Jersey does not permit a decision if there is no knockout, it has been agreed that opinion of the majority of the New York boxing writers will be accepted.

### Quick Quaker Oats Cooks to perfection in 3 to 5 minutes

Now there's a new reason for insisting on Quaker Oats. Our experts have perfected a quick-cooking Quaker which cooks in 3 to 5 minutes. So it means an oat dish almost ready to serve.

It has our super-flavor. All Quaker Oats are flaked from queen grains only. We get but ten pounds from a bushel.

But in Quick Quaker the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And those small thin flakes cook quickly.

Your grocer has both styles. Both offer incomparable flavor. Quick offers the quickest-cooking oats in the world. Say which you want.

### COMPLETION OF ARMORY EXTENDED TO SEPTEMBER 1

Adjutant General George A. White, Lieutenant Colonel H. U. Welch of Portland of the Oregon National Guard, and T. Hansicker of Eugene, architect of the Medford armory, arrived in Medford Sunday morning and will return to their homes this evening.

They were well pleased with the way work is progressing under supervision of R. I. Stuart and have extended the time for completion to September 1st. Work of pouring cement for the first story above the basement began today.

While here the visiting officers, in company with Capt. Canady and Lieuts. Wright and Crose, also inspected a site for a rifle range and located the same on the old Fletcher Linn homestead, a short distance northwest of Jacksonville. The company will be able to use targets up to 1000 yards on this range.

General White and Colonel Welch went to Ashland with C. Y. Tengwald this morning and will meet a committee representing the Chamber of Commerce, who ask that the 400 members of the Coast Artillery who go to San Francisco for summer maneuvers, stop at Ashland June 13, and give a drill.

A. G. Allen, who had been visiting here, left for Chicago last Saturday night.

### ONLY 84 BALLOTS CAST IN CHAMBER OF C. ELECTION

Eighty-four members out of the total membership of six hundred and seventy-eight have so far cast their ballot in the primary election for directors of the Medford Chamber of Commerce.

The election closes on Wednesday evening of this week at seven-thirty so that those who intend to send in their ballots by mail must do so before that time.

Members should not take the chance on mailing their ballots on Wednesday, but should deliver them to the Chamber of Commerce office in person before the polls close.

With the large membership which the chamber now has there should at least be three hundred votes cast. There can be no complaint of those not voting when the result of the primary is announced and the safe way to get those men who are wanted for the directorate is to have a voice in their selection, therefore those members who have not already voted should do so right away.

CHILDREN'S COLDS should not be "dozed." Treat them externally with—**VICKS VAPORUB** Over 17 Million Jars Used Yearly

### Ralph O. Johnson Pays High Tribute to Tanlac

Well-Known Portland Citizen Declares It Promptly Overcame Long-Standing Stomach Trouble and Rheumatism.

Science has discovered that most of the many ills that afflict humanity are traceable to a disordered condition of the stomach and intestines. Keep these organs healthy and active and you will remain strong, sturdy and well, as nature intended you should be.

Among the many Portland people who have testified to remarkable benefits received from Tanlac is Ralph O. Johnson, residing at 721 East 82nd St., N., who says:

"For almost four years I suffered with stomach trouble which caused me to lose fifteen pounds. My appetite wasn't worth a cent, and when I would eat a little I would bloat up with gas and feel nauseated for hours afterwards. In addition to indigestion, I had to take something almost every day for constipation. I felt tired and sleepy all the time but when I went to bed it would be hours before I could go to sleep. In the winter time I had so much rheumatism in my shoulders that the only way I could sleep at all was to lie with my arms forced up over my head.

"So many people get after me to try Tanlac that I commenced taking it, and before I finished the first bottle I knew I had the right medicine. After taking two bottles the rheumatism was gone, I was rapidly picking up weight, and would fall asleep almost as soon as I hit the bed. I now have such an appetite that if a prize was offered for the biggest eater in Portland, I think I would stand a good chance of winning. The indigestion and constipation have completely disappeared, and I have such fine health I feel like a man made over. You can put me down as one of Tanlac's strongest boosters. Tanlac is for sale by all good druggists. Accept no substitute. Over 35 million bottles sold. Adv.
