

FINGER PRINTS OF MRS PHILLIPS ARE DISPATCHED

LOS ANGELES, April 25.—Photographs and finger prints of Clara Phillips, escaped hammer murderess, today were on the way to Tegucigalpa, Honduras, where she is believed to be under arrest, according to an announcement from Dr. F. M. Rodriguez, Honduran consul. Dr. Rodriguez said he had forwarded the photographs and finger prints on his own initiative, together with a letter to the Honduran secretary of state, asking his government to facilitate the early return to Los Angeles of the prisoner if it should be definitely established she is Mrs. Phillips.

Plans to cause the dismissal of her appeal from a life sentence for having beaten Mrs. Alberta Tremaine Meadows to death with a hammer, and to take her direct from Tegucigalpa to San Quentin prison are said to be under consideration at the district attorney's office.

A group of officers to be sent to bring the woman back to the United States will be headed by Eugene G. Biscailuz, under-sheriff, who speaks Spanish fluently and will contain two other deputies, a jail matron and Mrs. Biscailuz. They expect to leave here about May 5 and return about June 8.

"If the woman is Mrs. Phillips, you may be assured Honduran authorities will hold her," said Consul Rodriguez. Extradition papers for Mrs. Phillips are expected to be completed in time to start them to Governor Richardson at Sacramento tonight.

The case of Jessie C. Carson, one of her alleged traveling companions, wanted here for arson, probably will be taken up by the county grand jury tomorrow. It was said by officials an indictment might have more weight in extradition than the ordinary complaint now on file against him.

FOUR MORE IRISH REBELS EXECUTED

TRALEE, Ireland, April 25.—(By the Associated Press)—Richard Hatheway, James McEnry and John Greaney were executed here today by the free state authorities.

Hatheway, a deserter from a British regiment, was captured in the siege of a cave in which a band of irregulars was holding out on the Kerry cliffs.

LONDON, April 25.—A Dublin dispatch to the Times says the free state government has decided to issue revolvers and ammunition to well disposed citizens for the protection of their lives and property in view of the prevalence of robbery, which, in many instances has been accompanied by violence.

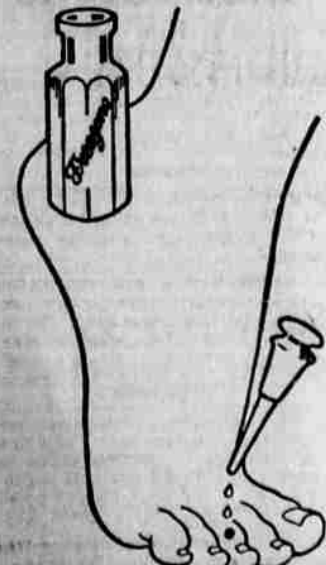

MILEAGE BOOK SALE DELAYED UNTIL JUNE

WASHINGTON, April 25.—Orders of the inter-state commerce commission requiring railroads to begin sale of interchangeable mileage books at 20 per cent reduction on regular passenger fare rates on May 15, were revoked today and the effective date of the mileage books sale postponed until June 1, 1924.

The action of the commission, which follows the granting of an injunction in Boston against the commission's order resulted directly from an appeal for postponement by western carriers.
