

BRINGING UP FATHER

By George McManus

LOCAL DAIRYMEN
FORM ASSOCIATION
TO POOL SALES

In an effort to secure a square deal and put their industry upon a paying basis a number of local dairymen met at Gilman's dairy yesterday afternoon and formed an organization to be known as the "Southern Oregon Milk Producers' Association."

Ben Hilton was elected president; Lester Merriman, secretary and treasurer, and the directors will include in addition to the president, M. A. Walsh, H. G. Pech, J. D. Williams and George Gilman.

The members of this association say they will represent ownership of at least 350 of the best dairy cows in the valley, and it is planned to adopt a pooling system of milk sales, so that the industry in this valley may be saved, and the dairy men allowed to make a decent living. According to the organizers, they have been operating at a loss because of the low price paid for milk, and the high price of labor.

If some agreement with the Medford creameries and milk distributors can't be reached then the association plans to put on its own milk route in Medford. All the cows in the association, according to the organizers are under state and federal supervision, are tuberculin tested and of the highest grade in every way.

NEW YORK—Elbert H. Gary, chairman of the United States Steel corporation said last night his recent speech regarding immigration had been misconstrued and that he had never been in favor of unrestricted immigration, as had been reported.

With Medford trade is Medford made.
