

**FOSTER ADAMS**, well-known Civil War veteran, of Portland, Ore., is still hale and hearty at 75. He attributes his remarkable health to taking Tanlac.

"That I am feeling so strong and well at my age I can attribute to nothing but the use of Tanlac," recently said Foster Adams, well known Civil War veteran, living at 1220 E. Main St., Portland, Ore.

"For over ten years I suffered from indigestion. After eating I would invariably bloat with gas until I could hardly get my breath, and have awful pains in my left side just below my ribs. I was constipated and all run down, and had such spells of weakness I just had to go to bed.

"Well, the Tanlac treatment set me to eating hearty, did away with that indigestion and bloating, and strengthened me and built up my health in every way. Tanlac is without doubt a remarkably good medicine.

Tanlac is for sale by all good druggists. Take no substitute. Over 37 million bottles sold.

**RUPTURE EXPERT HERE**

**SEELEY, FAMOUS IN THIS SPECIALLY, CALLED TO MEDFORD.**

F. H. Seeley, of Chicago and Philadelphia, the noted truss expert, will personally be at the Holland Hotel, and will remain in Medford this Monday only, April 30th. Mr. Seeley says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult casts, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley. Home Office, 117 N. Dearborn St., Chicago

**Is Green No More**  
"My experience with your medicine has been wonderful. My stomach and liver trouble of five years standing took a new turn two years ago when I took an olive green complexion. I spent \$1200 with doctors and specialists only to prove that I was still as green as ever. A friend advised me to try Mayr's Wonderful Remedy, and I am green no more. My stomach and liver trouble has all disappeared." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One does not convince or money refunded. For sale by all druggists.

C. B. E. Morgan, Oxford, after setting the pace for nearly a mile weakened and was barely able to finish sixth. Higgins killed off his nearest rival, Thompson of Hamilton college, by a remarkable burst of speed in the last furlong.
