

FISHING GOOD, IS WEEKLY REPORT BY SOUTHERN PACIFIC

In accordance with its custom for three years past of issuing week end bulletins of the condition of fishing in streams near the depots along its lines, to all agents of its lines on the Pacific coast, for distribution to sportsmen, the bulletin for this week end's fishing was made public today by the Southern Pacific. The railroad's information given on the subject in this locality is Wm. F. Isaacs. The bulletin follows:

"Rogue River, by Toggery Bill Isaacs, Medford, Oregon. Water clear and low. Week end outlook splendid. Excellent catches reported. One angler caught limit on number 10 upright. Fish ranging from eight to twelve inches. Four steel-heads and two large cutthroats on No. 10 and 12 March Brown and black gnat was my reward for less than two hours' fishing. Salmon fishing also good, some weighing up to 40 lbs. taken with spoon. Fishing 10 miles from Medford. Automobile service and hotel accommodations at Medford and at Rogue Elk Hotel, 28 miles away.

"Ashland, Bear, Keane and Nell creeks, by agent Ashland. Condition of water good. Week end outlook good. Several nice catches made with salmon eggs. All streams near Ashland where accommodations are available."

I. W. W. TO STRIKE

(Continued from page one)

The old crew was taken off and a new one put aboard by tug. The affair was the climax of a day in which about 1800 dock workers quit work, demanding a wage of \$1 an hour and a 44 hour week, double pay for overtime and repeal of the state syndicalism act.

Big Demonstration, May INDIANAPOLIS, April 27.—A demonstration in May that would dismay the nation if achieved, is developing already under direction of communist and revolutionary organizations in this country, declared Cortland W. Powell, national director of the Americanism commission of the American Legion.

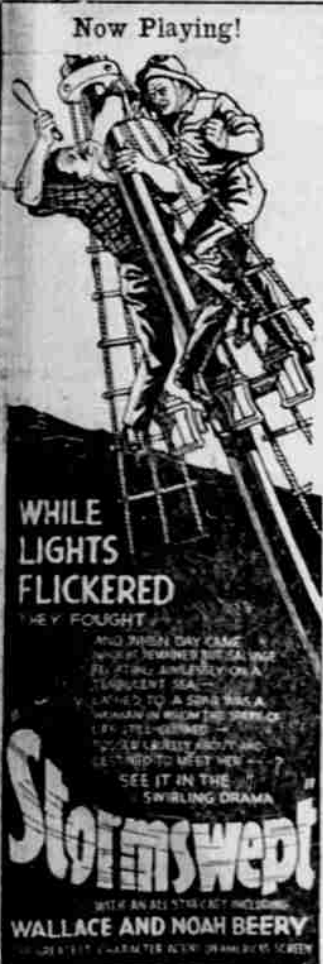

A recent I. W. W. bulletin discloses that the real object of the strike in the Pacific northwest is to paralyze the lumber industry and strike a heavy blow at law and order, he declared.

Trouble, New Orleans NEW ORLEANS, April 27.—Eight arrests as a result of the strike here of transport workers of the I. W. W. were made by the police last night and early today.

The men were picked up near the waterfront and charged with loitering. I. W. W. officials announced that "peaceful picketing" had been ordered in an effort to persuade men employed to fill the strikers' places to leave the ships.

Steamship operators declared the labor supply was plentiful and that they had applications to fill the vacancies that may be caused by the strike. Police are on guard along the river front.
