Instead of the fair weather expected last night and today in accordance with the prediction of Monday forenoon, last night and today were cloudy much of the time and sometimes showery. Rain is the prediction for tonight and tomorrow.

After the fire it is too late to insure. See Redden & Canaday now.

R. I. Red setting eggs at DeVoe's. An airplane passed over Medford at 11:30 this forenoon bound northward. It is supposed that it was delayed and was enroute to Portland where the mock aerial attack is to take place today illustrating the helplessness of the state metropolis in case such an attack were a reality.

AUTO PLATES FOR JUNE RACE MEET

Automobile plates advertising the June race meet are now being given to those who are willing to attach them to their cars and before very long the little red and white signs will be heralding this event in every corner of southern Oregon and northern California wherever it is possible for an automobile to go. 36*

There are one thousand of these signs now available and they are being distributed from the office of the Medford chamber of commerce. The sooner the car owners come for these signs, the longer will be the period of advertising this big event will receive. 36*

The race meet will certainly be a success as already a sufficient number of racing car owners have signified their intention to make entries. The purse offered is \$3500 to which is added the entry fees so that the total amount to be contested for in the two days will be more than \$5000. 36*

Copco Stock Advanced To \$98 Share Today

The price of the preferred stock of the California-Oregon Power company today was advanced from \$95 to \$98 a share. The remainder of the issue will be sold at the latter price. 36*

The price of the stock was held at \$95 as long as it was possible, it was stated at the offices of the company today, but had to be advanced because comparable utilities elsewhere were selling their stock for much more. It is probable that this will be the only stock that the company will offer for sale this year. 36*

Says Allenhu Surely Conquers Rheumatism

Winchester, Ky., Citizen Cheerfully Recommends This Wonderful Remedy to All Sufferers.

His letter follows: "Burns Avenue, Winchester, Ky. I had severe rheumatism for three months; tried several remedies without receiving any benefit whatever. A friend advised me to try ALLENHU as it had cured him. I bought three bottles from the George Drug Co., this city. When I began taking this medicine I was unable to do any work. I could neither dress myself nor raise my hand to comb my hair. I am now almost well and feel confident this last of the three bottles I am now taking will completely cure me. I can cheerfully recommend this truly wonderful remedy to any rheumatic sufferer." Signed Asa E. Keer. ALLENHU has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and where the patient was helpless. 36*

Mr. James H. Allen of Rochester, N. Y., the discoverer of ALLENHU, who, for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless ALLENHU decisively conquers this worst of all diseases, and he has instructed druggists to guarantee the first pint bottle to show appreciable results or money back in every instance. All druggists can supply you. Adv. 36*
