**Y.M.C.A. NEWS**

Arrangements are about completed for publishing the season's schedule for the Y. M. C. A. Baseball league. It is expected that the five teams concerned in the indoor season of basketball will also participate in the outdoor sport. It is probable that three games will be played each week for a period of about two months, or until July 1st. All games will be played at the "twilight" hour, beginning at about 6:15.

The general public will remember that the games last year were usually fine exhibitions of the national game and good crowds were uniformly in attendance.

The rules of eligibility with regard to church affiliation and attendance will obtain as always in this league.

There is some talk of a commercial league of playground, or "kitten ball" also this season. Should the idea take hold to any extent, steps will be taken to promote it.

### ANOTHER COLLISION MAIN & RIVERSIDE

The cars of L. C. Mast of Grants Pass and Rose Billings of Medford were considerably damaged this forenoon when they collided on the corner of Main and Riverside.

Mast was en route south over the Pacific highway and was crossing Main street and Rose Billings was driving east on Main street, preparing to turn south when the collision occurred.

The right side of Mast's Overland was badly battered and the bumper, left front fender and front part of the frame of Billings' Hudson suffered damage. No one was injured in the accident.
