

Local and Personal

Separate Company A is homeless again for a day or so as the officers of the National Guard command have received orders from the city government to move out of the upper floor of the city hall annex by this afternoon, if possible, as the work of remodeling that floor will be begun at once. The company had been occupying those quarters for a month past since its removal from the Natatorium. Company A's officers searched the city over this forenoon for available quarters in which to store the unit's lockers and equipment.
