everything the name implies.

Cook a couple of eggs in the drippings, let toast and coffee be just "on the side." He may say toast and coffee are enough for him, but probably he just wants to save you the bother of cooking a hearty breakfast.

Recent government investigations prove that ham is rich in vitamins. Don't tell the Man-of-the-Family so—he'll be anxious enough to eat FRYE'S DELICIOUS HAM because it is rich in flavor, juicy and tender.

Keep a Frye's Delicious Ham hanging in your cooler, or you can buy it conveniently sliced at your dealer's.

SCREEN

"The Flirt," Page
"The Flirt," which is at the Page theater tomorrow, is a study in the selfish, spoiled girl who rules a household by her beauty and is the first and almost only consideration of the family, the other children being entirely overlooked and made to stand aside because the pretty sister has to have all the money that can be spared.

It is rather a cruel picture of this creature, but very true to life, and played by Eileen Percy with a good deal of art. She makes Cora Madison one of those girls the outsider would like to shake.

The cast is an important one. Besides Miss Percy there are George Nichols, Lydia Knott, Helen Jerome Eddy, Buddy Messenger, Harold Goodwin, Nell Craig, Lloyd Whitlock, Tom Kennedy, Edward Hearn, William Welch and Bert Roach.

"Power of Love," Rialto

The power of love is the theme of "The Kingdom Within," offered at the Rialto. It is a story of strong heart interest, with a touch of village comedy to relieve the dramatic situations.

Caleb Deming, a blacksmith, and his son, Amos, whose crippled arm so disappoints the father that he turns against the boy.

Amos, gifted with a wonderful spiritual insight and capacity for love, wins the heart of Emily Preston.

Krieg, scheming revenge on a wealthy lumber camp owner, attempts to use the brother as his tool, but fails. Krieg kills his enemy, the brother is arrested and convicted. Emily saves him by her testimony, and Krieg seeks revenge on her.

At the crucial moment, when Krieg is about to accomplish his end, Amos goes to the rescue, and in an almost miraculous fashion, his arm is restored to its strength. The sight terrifies Krieg, and he rushes out of the house, only to be captured, while Caleb begs forgiveness of the son he scorned.

Russell Simpson, Gaston Glass, Pauline Starke, Hallam Cooley, Ernest Torrence, and other well known players have roles.

The Stage

Minneapolis Symphony Orchestra
Although his versatility is well established, it is as an interpreter of Beethoven that Henri Verbrugghen became best known during the years when he was prominent in the musical life of London.

Mr. Verbrugghen, recently engaged as the new conductor of the Minneapolis Symphony orchestra will direct that organization when it comes to the Page theatre, Monday matinee and night, May 14.

His repertoire for the current tour has been chosen with the double view of exploitation of the orchestra at its best, and the satisfaction of a musical taste which, throughout the country, becomes each year more cultivated and fastidious.

McIntyre & Heath

McIntyre and Heath are scheduled for an engagement at the Page Tuesday night, May 22, in their new musical comedy "Red Pepper," the piece which enjoyed such a triumphant run at the Apollo theatre, Chicago and the Shubert theatre, New York.

McIntyre and Heath have always enjoyed the reputation of having the funniest, fastest and most gorgeous organization on tour, and it is said that "Red Pepper" stands out far ahead of their former successes. It is in two acts and seven scenes, and presented by a supporting company of Winter Garden favorites: Florence Rayfield, Dan Quislan, Calhoun Sisters, Alice Rector, Jack Ryan, Cyril Delevanti, the Foochee Sisters, Harry Shunk, Bee Ho Gray, Irma Bertrand, Ada Summerville, Frank Williamson, Brennan & Sands, Sidney Boyd, and the usual delightful chorus of glorious girls.

APPOINTMENTS MADE C. OF C. COMMITTEES

One of the most important assignments of the chamber of commerce is that of chairman of the membership committee and this has been awarded to Joseph O. Gray by President B. E. Harder.

There are more than two hundred citizens of the prospect list who did not join the chamber during the recent campaign. The committees either failed to call upon them or they were out of the city at that time. With an aggressive membership committee under the leadership of the newly appointed chairman there is no doubt but what a good many of these citizens will become identified with the chamber.

The following have been appointed as the auditing committee for the next fiscal year: Jack H. Swain, chairman, R. B. Hammond and W. F. Isaacs.

Coming to the Page Theater

At the Page theatre, Monday night, May 14, Ina Claire is to be seen in "The Awful Truth." In New York, Chicago and San Francisco Miss Claire was credited with having achieved the highest artistic point in her distinguished career, with her characterization of Lucy Warriner. Her role in this play is one supplying Miss Claire with splendid opportunities for the display of her innumerable abilities as a deft comedienne of most alluring methods, furnishing her, as it does, with moments of the subtle light comedy in which she excels, alternating with intervals of slightly more serious import.

The role of the obliging and gallant ex-husband is portrayed by Bruce Mc-

Rae, among the most popular and best liked of our American leading men. Mr. McRae has met with an individual success second only to that of Miss Claire. Other important surrounding roles are in the hands of such capable and distinguished players as Cora Witherspoon, Louise Mackintosh, Kyra Alanova, Paul Harvey, Arthur W. Metcalfe, Raymond Walburn and Lewis Seal. Of important interest is the fact that Mr. Hehman's comedy has been produced under the personal direction of Henry Miller and the production accorded the play by the Charles Frohman company is one characteristic of all Frohman presentations, marked by excellent good taste and painstaking attention to each artistic detail.

PRESIDENT WOMEN'S CLUBS SIDETRACKS APPROVAL OF HARDING'S WORLD COURT

ATLANTA, Ga., May 10.—(By the Associated Press)—Declaring she "would not stand for the federation endorsing President Harding's proposal for American participation in the world court of international justice," Mrs. Thomas G. Winter, president of the General Federation of Women's clubs said today that the resolution committee resolution probably would be modified so as to make clear that the principle was endorsed and not any specific proposals.

Mrs. Winter explained that while she personally favored American participation in a world court, she would endeavor to have the resolution so worded that no charge of partisan politics would be brought against the federation. The resolution as agreed

DECIDE TO CONTINUE DRILLING TRIGONIA

At an oil meeting held at the Medford hotel last night, attended by about 50 a willingness was expressed by all present to continue the drilling operations at the Trigonia well. The McWilliams said they were willing to work under the present plan, and Treasurer J. D. Bell reported a balance of \$2.83 in the bank after all bills were paid. With the \$3000 secured, 600 feet were made, and the well is now down in the neighborhood of 2200 feet. An effort will be made to secure more funds and continue the work to the bitter end.
