Shell gasoline won every important western racing event in 1922. In mileage economy, it stands in the front rank. For heavy truck hauling, where power is the big factor, it is the choice of those who have made careful tests of all motor fuels.

CARDINALS CLIMB IN LEAGUE RACE, BABE GETS HOMER

CHICAGO, May 18.—(By the Associated Press)—Branch Rickey's St. Louis Cardinals, having won edges over both the Pittsburgh and Boston clubs, thereby displacing the inspirational Pirates in the second place position in the National league, appear today as the strongest team the New York Giants will have to face in the forefront of the season.

Rogers Hornsby the big bertha of the Cardinals, laid off yesterday to prepare an attack on the Giants next week, and St. Louis never missed him, battering Burtleigh Grimes of Brooklyn off the slab in the seventh inning, 6 to 3.

Having taken but one game from the Reds, which they did yesterday, 13 to 6, it is too early to foretell how the Giants are going to fare against Cincinnati. But considering that the Cardinals' batters bombarded Pete Donohue, last year's leading league pitcher, out of the box in five innings, it appears that the McGrawites will not be greatly hampered. The Giants take on the Cardinals after the Reds leave.

Pittsburg kept on the toboggan when Dick Rudolph came out of retirement and pitched the Boston Braves to a sensational ten inning victory in a pitching duel, 1 to 0. The victory lifted the Braves to a tie with the Reds for second division leadership.

The battered Chicago Cubs battled the helpless Phillies 7 to 4. The New York Yankees slammed Urban Shocker of St. Louis as though he were a recruit, 9 to 2, and Philadelphia Athletics showed contempt for the veteran Uble of Cleveland, winning 4 to 2. Babe Ruth got his fifth home run of the season.

Detroit defeated the Boston Red Sox, 6 to 2. Washington plounced on the Chicago White Sox, 2 to 2 and came within an ace of overstepping the slipping Browns.

Harry Hellmann's record of safe hitting in consecutive games ended when he faced Murray and O'Doul of the Red Sox. The Tiger star had hit safely in 23 games.

BIG MUSICAL TREAT FOR SOUTHERN OREGON

The Minneapolis Symphony orchestra, which comes to the Page theatre Monday, May 21, matinee and night, is nearing the close of what is perhaps the most interesting season of its career; certainly the most eventful one.

Following the resignation, in the spring of 1921, of Emil Oberhoffer, up to that time the only conductor the organization had had, the directors planned the season just closing as a "guest-conductor" period. Incidentally, Henri Verbrugghen, first of the visitors, has been chosen director for the next three years.

Following Mr. Verbrugghen's opening concert of the season, Ossip Gabrilowitsch, the distinguished pianist, now director of the Detroit Symphony orchestra, took the conductor's stand. Then followed a somewhat longer visit from Dr. Walter Damrosch, the beloved head of the New York Symphony orchestra. Next in the succession came Albert Coates, a brilliant exponent of the Russian school, and then Bruno Walter, famous as conductor of opera in Vienna and Munich, and one of the world's finest conductors.

The season, thus divided, has had the effect of keeping the men keyed up to a high pitch of interest and efficiency, the quality of which is maintained under Mr. Verbrugghen's thorough method of drill. Southern Oregon and northern California people who enjoy music should not miss this treat.

"Just Tony," Rialto

An absorbing tale of the life of a beast is that provided for the screen, "Just Tony," now playing at the Rialto theater.

It provides a pleasant diversion from the well beaten path of so many of our current "westerns," and that alone should brand it as a successful production, but it also has a splendid story. One can't help but envy the owner of Tony, the beautiful chestnut hero, and with mingled expressions of joy and sorrow witness his final submission to the masterly hand of man.

"Rags to Riches"

Not in a long while has an audience of picture-goers expressed its appreciation so wholeheartedly as they do at every showing of "Rags to Riches," at the Page theatre, where it is now playing with Wesley Barry in the feature role.

"Rags and Riches" is good, straight, clean comedy, with the pranks of mischievous Wes making for hundreds of laughs throughout the evening. The picture is packed with thrills, wستی, hanging on the side of a trestle while a fast-moving train rushes past, drops fifty feet below into the rapid current of a river. When Wes promptly helped capture the thugs the enthusiasm of the youngsters in the audience knew no bounds.

"Rags to Riches" is wholesome throughout. It brings back the fine days of boyhood and recovers the spirit of the times when one did things on a dare and wanted to emulate the Daring Dicks of the penny shockers.

"The Storm," at Central Point House Peters, Virginia Walli and Matt Moore are the three stars who make "The Storm," a masterpiece of screen art. This film, which will be shown at the F. & E. theatre of Central Point, shows a thrilling forest fire that is well worth seeing.

K-L Pills

For Kidney and Liver Troubles, Constipation, Intestinal Indigestion and Kindred Ailments

Liver trouble leads to serious ill. And a sure sign of liver trouble is biliousness. If you have attacks of headache, if you have a coated tongue, if you have a sickle appetite, you probably are bilious—which may lead to derangement of the liver and to serious and quite often fatal results. Read this strong endorsement of Dr. A. W. Chase's Kidney Pills. Mrs. J. H. Stone, Route No. 3, Bailey, Ga., writes:

"For a number of years I have been troubled with my kidneys, liver and also my heart. I find Dr. A. W. Chase's Kidney Pills a wonderful remedy. They certainly are the best I ever used. I would not be without them in my home and take great pleasure in recommending them to my friends."

You can buy Dr. Chase's K-L Pills at all drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M.D., are on each box—your protection against imitation.
