

NEW PIPE ORGAN AT BAPTIST CHURCH DEDICATED TONIGHT

A musical event of unusual merit and of interest to the city will be the dedication of the fine new pipe organ of the First Baptist church, which will take place this evening at 7:30 p. m. at which time the event will be celebrated by the giving of a cantata, which should be heard by a packed house. "God Is Our Hope and Strength" by Stanford, is the title. It will consist of four parts, as follows: (1) Chorus: "God Is Our Hope and Strength." (2) Quartet: "The Rivers of Flood." (3) Chorus: "The Heathen Make Much Ado." (4) Baritone solo: "O Come Hither, and See the Works of the Lord." Chorus: "Be Still, Then, and Know That I Am God." Baritone soloist, Wm. F. Isaacs.

A small admission of fifty cents will be charged for adults, and twenty-five cents for children. Wednesday will be social night in connection with the dedication of the First Baptist church building. The public are invited from 4 p. m. to inspect the thirty and more rooms of this up to date church plant, and know how complete and perfect it is for its many varied activities. A reception committee will be there to meet the people.

At 6:30 p. m. the spacious dining room of the church will be opened with a great banquet. A chicken dinner will be served for 75c for adults and 35c for children. J. F. Wortman will act as toastmaster. John F. Carlin will speak for the city. S. M. Scott will speak to the toast, "Our New Pipe Organ," while Judge C. M. Thomas will speak "The Church as an Asset to the Community," and Rev. E. R. Leach will speak to the toast, "How the Church Will Serve the Community." There will be some music also. Only a limited number can be taken care of, and unless tickets are secured, which can be done at Marsh's grocery, there can be no assurance of a seat at the banquet table.

BULGARIA YIELDS TO JUGO-SLAVIA APOLOGY DEMAND

SOFIA, Nov. 6.—(By the Associated Press.)—The Belgrade government has accepted the conditions of reparations laid down in Jugo-Slavia's note on the attack on the attache here last Friday.

Belgrade, Nov. 6.—(By the Associated Press.)—Public animosity aroused by the attack on the Jugo-Slav military attache in Sofia last Friday is increasing and a strong force of police is on guard at the Belgian legation to forestall possible action by nationalists.

Commenting on the ultimatum in which Jugo-Slavia gave Bulgaria 48 hours to apologize, the newspaper Novosti says that if the Bulgars do not comply with the stipulated period "we ought to find and punish the guilty parties ourselves."

SOFIA, Nov. 6.—The Bulgarian reply which will be handed to the Jugo-Slav legation some time today, is expected to create a painful impression throughout the country. Officials here, however, assert no other course could be pursued, not because Bulgaria or its government was responsible in any way for the attack on Colonel Krastitch, but because, as they put it, it was necessary to bow to superior force.

HOPPE TIES WITH COCHRAN FOR CUE TITLE, GREAT GAME

CHICAGO, Nov. 6.—Willie Hoppe and Welker Cochran will play three games of 500 points each, total points to count, for the world's championship at 18.2 ball line billiards, some time in December, according to word received today from W. V. Thompson of the tournament committee. The match is expected to be held in Chicago. The championship tournament at New York ended with Hoppe and Cochran tied.

NEW YORK, Nov. 6.—(By the Associated Press.)—The 1923 world's championship at 18.2 ball line billiards lies between Willie Hoppe and Welker Cochran, who will fight it out some time soon, probably in Chicago.

As he always had done—with the exception of one year—when everything was at stake, Hoppe reacted to pressure last night and made an amazing uphill fight, winning a sensational contest that forced into temporary oblivion young Jake Schaefer, 500 to 446. Cochran won his fourth game yesterday afternoon from Edouard Horemans 500 to 472, giving him a tie for the title.

There were 12 innings in last night's game. At the end of the third, Schaefer looked the winner and Hoppe appeared miserable. The champion won the bank, made three, clicked 66 on his second turn and missed altogether on his third. Schaefer got only 27. Hoppe then made 40 then 127 and three fair sized clusters that gave him the advantage.

Though last night's game was the most exciting in the history of the title, the feature of the tournament was the spectacular playing of Cochran, who defeated both Hoppe and Schaefer in the only games they lost and then dropped before Hagenbacher, one of the weakest of the entries. Had Cochran defeated Hagenbacher, he would have won the title.

WILLS WINS BOUT, BUT FOE STURDY

NEW YORK, Nov. 6.—Adding another victim to his list in the campaign he started as a logical contender for Jack Dempsey's title, Harry Wills knocked out Jack Thompson, Boston negro, last night in the fourth round of a rough and tumble 12-round match, but the "Brown Panther" of New Orleans gained little prestige by his victory in the opinion of most observers. Wills outclassed his opponent, but Thompson proved a unexpectedly expert shock absorber, withstanding a terrific bombardment of hooks, uppercuts and swings before he went down in the fourth. Floored once for a count of nine, he bobbed up and took a lot of additional punishment before toppling for the last time, his seconds tossing a towel into the ring in token of defeat.

SPORT BRIEFS

VICTORIA, B. C., Nov. 6.—With more than 100 golfers competing, the first championship tournament of the Pacific Northwest senior golfers' association opened today on the links of the Victoria golf club at Oak Bay. Although most of the golfers came from Victoria, golfers of mature years arrived today from a number of outside points to take part in this history making event. Play in the championship proper will take place on Wednesday and Thursday of this week.

ANTI-JEW FEELING FIRES BERLIN MOBS BREAD COST RISES

BERLIN, Nov. 6.—(By Associated Press.) The looting of food and clothing shops continued through the night in the northern districts of Berlin while in the fashionable west end of the city, numerous automobiles were held up. Considerable anti-Semitic rioting occurred in the Jewish quarter.

Most of the pillaging was done by men and youths whose numerical strength was large. Women participated in storming food shops. The price of bread today was fixed at 80,000,000 marks a loaf as against 140,000,000,000 yesterday. The bakers had contributed \$70,000 to the public feeding fund.

Believing that bread is more necessary than politics, German public opinion is solidifying in favor of a national dictatorship—a single man or a limited directorate with power to punish the food profiteers and force the farmers to bring their products into the cities.

Just who the dictator or directorate should be, none of the elements asking a change, have so far ventured to suggest and although it is not improbable that a dictatorship will be proclaimed, Chancellor Stresemann is going ahead with his plans for filling out the cabinet that was depleted by the retirement of three socialist members.

In a proclamation addressed to the nation, President Ebert and the chancellor refer to Germany's intolerable distress and intimate that the government will take forceful measures to protect the republic against any faction attempting to take affairs into its own hands.

Chester Deal Falls

LONDON, Nov. 6.—An Exchange telegraph dispatch from Constantinople quotes the newspapers there as stating that Colonel Clayton H. Kennedy, representing the Ottoman American Development company offered the Chester concessions in Turkey to Hugo Stinnes, the German magnate, but that the negotiations collapsed.

Salts Fine for Aching Kidneys

When Back Hurts, Flush Your Kidneys as You Clean Your Bowels

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean. A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.

IMPERIAL VALLEY IS HIT BY QUAKE

CALENEFF, Cal., Nov. 6.—Shattered windows, fallen plaster and twisted building foundations today remained as reminders to residents of this border city of yesterday's earthquake, the worst the Imperial valley has experienced in several years.

Three tremblers shortly after two o'clock, the first shock of pronounced violence and the other two of diminishing intensity, left reinforced concrete pillars in front of one large store bent out of shape and the Virginia Hotel several inches out of place on its foundation.

In the United States immigration station a portion of the ceiling fell, and in Mexicali, across the line from here, brick and adobe walls left standing after the disastrous fire of last July were toppled by the shocks.

Brawley, near here, felt the quake, it was said. No casualties were reported throughout the shaken area.

Three Dead

MIAMI, Okla., Nov. 6.—Three men were killed and a fourth seriously injured when a hoist can in the Lucky Bill Lead and Zinc mine near here dropped 200 feet when the brake failed to work.

Separatists Take Things. AIX LA CHAPELLE, Nov. 6.—The short reign of the separatists left Aix La Chapelle considerably poorer. The treasures in its ancient town hall were destroyed, the objects demolished including medieval furniture, the priceless stained glass windows and many valuable paintings.
