

Indications are not very encourag-ing for nice weather on Monday for Armistice day, as the weather pre-diction for Sunday forecasts unsettled weather and probably rain. The minimum temperature of early today, 27 degrees, was the lowest of the week. There was a heavy fog this morning which lasted well into the forenoon.

U. S. A. COMMANDER GETS SATISFACTION FOR CHINESE ACTION

PEKING, Nov. 10 .- (By the Asso iated Press.)-Captain Gatewood S Lincoln, commander of the destroyer 111 livision of the American Astatic leet, has demanded and obtained rom the Chinese military authorities satisfaction for an attack by Chinese soldiers on the American flag at Amoy on October 20, it has been learned. A launch from the destroyer Hurl

bert was fired on while it was ap The Crates proaching the docks at Amoy. Through he American consul there Captain 199 Lincoln demanded an apology and punshment of the offenders. General La Shih Huang, commander of the Kiang

se forces in control of Amoy, immedi ately offered an apology and reported later that the soldiers who fired on the launch had been sentenced to six months' imprisonment and the officer in charge of them fined three months

DBY. Captain Lincoln regarded the punishment as insufficient and demanded that the officer responsible be reduced in rank. General Lai promised that this would be done.

CINCINNATI, Nov. 10 .- Frederich W. Galbraith, late commander of the American Legion who was killed in an automobile, accident in Indianapolis several years ago was held to be a martyr to patriotic service by John Quinn, present national com-mander. In an address here today. The speech was made at the dedica-tion exercises of the Galbraith memorial.

The legion's duty is to make surthat the needs and wants of the maimed and dhabled ever shall be cared for, the speaker declared, add-ing that former service men's strength and power "must be used to provide for their welfare and happiness and to "expose without any pity and un-fairness to or exploitation of the maimed."
