REVIVAL SERVICES LARGELY ATTENDED

Sunday's services in the revival meetings at the Christian church were well attended especially the morning and evening services.

At the men's meeting at 2 o'clock there were about 85 men present and a fine interest was shown in the address given by D. J. Howe, pastor of the church. The male quartet sang two selections which were appreciated by the audience.

There were eight additions to the church at the morning service, and the largest attendance and best attention during the meeting were evidenced at the evening service.

The meeting continues nightly with timely sermons and splendid messages in song. The sermon tonight, "Conversion, What Is It; and Is It Necessary?" will be outlined upon the blackboard and will be an important one in the series. Baptismal services at the close of the service tonight.
