

ASKED TO BRING POSTAL CARDS TO BAPTIST S. SCHOOL

A delayed meeting of the Sunday School Workers conference was held in the dining room of the First Baptist church Monday evening from 6:30 to 8 o'clock. Twenty-eight people partook of a bountiful supper and at 7 o'clock the business session was held, the superintendent presiding and Mrs. E. E. Wilson acting secretary. Plans for the future were discussed and committees appointed for the Christmas program.

Everyone is asked to bring picture post cards to the school Sunday and give them to the superintendent. The juniors will prepare these for use in one of our schools in the Philippines and they will be sent at once in order to reach there for Christmas.

Mrs. B. F. Neff was heartily congratulated upon the success she has had with the new glue club, which adds so much to the music in our school. At 7:30 Mrs. F. R. Leach gave an inspiring message on "Worship in the Church School."

It is planned to organize a class in Bible study for public school teachers and business girls. Anyone interested is asked to come at 9:45 next Sunday morning, speak to the superintendent, decide on a course of study and choose your own teacher.

GODS BASIS OF UNITY TOPIC AT CHRISTIAN CHURCH

As a conclusion of several sermons on "The Church," D. J. Howe, the pastor of the Christian church, who has been conducting evangelistic services for nearly four weeks, will speak tonight upon the subject "God's Basis of Christian Unity." It will be an exposition of the fourth chapter of Ephesians, which is divided into three very logical divisions: 1. The Spirit of Unity; 2. The Doctrine of Unity; 3. The Life of Unity. These three basic principles declares Mr. Howe, are essential in the progress of Christianity and must be observed if God's will is done upon earth. The revival meeting continues over Sunday.

Rynning, Secretary.

MEDFORD WOMAN PASSES AWAY AT AGE OF 95 YEARS

Sarah Jane Bethel passed away late yesterday evening at the home of her daughter, Mrs. R. H. Halley at the Palace Hotel on South Central, at the advanced age of 95 years, 1 month, 17 days. Mrs. Bethel was born at Harpers Ferry, Virginia, Oct. 4, 1828. When a small child she with her parents moved to Ohio, where at the age of 19 years she was married to Robert B. Bethel at Zanesville, and in 1850 moved to Missouri, where they reared their family, living on the home place for 60 years, and where her husband passed away in 1880.

In 1910 she came to Medford where she had since made her home. An important feature of the life of Mrs. Bethel is the fact that she was a member of the Methodist church for more than 80 years. She was the mother of 10 children, five of whom survive—Mrs. R. H. Halley, Miss Ellen and George Bethel, all of Medford; Mrs. Annie Barton, Middleton, Missouri, and Edward Bethel, Fullerton, Cal.

Funeral services will be held at the Conger chapel Saturday, at 2:00 p. m. Rev. J. R. Sasmitt officiating. Interment in I. O. O. F. cemetery.

The funeral service for George M. Mickey, who passed away at his home 330 South Fir street, will be held at the home Friday at 2 p. m. Rev. J. R. Sasmitt will officiate. Interment will be in I. O. O. F. cemetery, Conger Funeral Parlors in charge.

ROTARY FUNDS PRESENTED TO LOCAL SCOUTS

The local council of the scout organization met at luncheon at the Hotel Medford and the organization of the new movement in the community was completed. A large amount of business was transacted. A number of committees reported and their reports set in motion the real activity of the council. The name chosen for the council and the council area which will no doubt eventually embrace Jackson county, is Crater Lake council. The by laws for the council were adopted and the budget for the year prepared by the finance committee was adopted.

Mr. F. J. Newman, president of the council, presented in a fitting manner the first \$250.00 toward the budget for the Rotary Club of the city. When the Rotarians discovered that some funds were needed at once in order to get certain supplies and equipment they forthwith made such funds available.

Mr. Sam Jennings has enlisted as a member of the Scout Master's staff and will for the present, lead the troop now attached to the Christian church. If he finds that his time will permit he will become a permanent leader. The troops will meet Saturday evening at the various troop headquarters as announced the first of the week.

JAPANESE PAPERS DEPLORE RULING ALIEN LAND LAW

TOKIO, Nov. 22.—(By Associated Press.) Lengthy comment on the decision of the United States supreme court sustaining the alien land laws of California and Washington is contained in yesterday's editions of some of the leading Japanese newspapers. Regret is expressed at what the Chugai Shogyo terms "evidence of racial discrimination which is inconsistent with the humanity, justice and benevolence to which the American government and the people traditionally are pledged."

The Hochi, in a similar vein, states "if the agitators' final object is not to drive out all Japanese from America, the anti-alien land laws should be modified."

The Kokumin advises the government to redouble its efforts to settle the American question, because, the newspaper asserts, "Japanese friendship will never be permanently cemented until the spirit of discrimination has been eliminated."

Another New Store To Open Saturday

The second of the Service Stores, Inc., in Medford will be opened for business Saturday in the new Warner building, one-half block off Main on Bartlett street. They will carry an up-to-date stock of groceries, canned goods, vegetables.

Charles D. Prand is manager of these stores, which guarantee first class service and the best of everything in their line.

NATIONAL BANK BRANCH STATUS BEFORE S. COURT

WASHINGTON, Nov. 22.—The position taken by the comptroller of the currency in the branch bank controversy was assailed in the supreme court today by Frederick W. Lehmann, former solicitor general, in closing argument in the case brought by the First National bank of St. Louis against the state of Missouri.

Contending that the national and Missouri state laws regarding the establishment of branch banks were in harmony, Mr. Lehmann declared that when the comptroller of the currency failed to enforce the federal law by closing the branch established by the First National bank of St. Louis, Missouri had a right to do so. Mr. Lehmann appeared as counsel for Missouri. He upheld the authority of the state to bring the case originally in its state courts and urged the supreme court to decide the issue on its merits and not on technical questions relating to jurisdiction.

Insisting that the proceedings instituted by Missouri were an illegal interference with matters wholly within the control of the federal government, C. A. Severance, representing the national banks which joined in opposing the state's position, asserted that the comptroller of the currency had complete authority to permit the establishment of branches and in a number of cases he had done so.

Mr. Severance insisted that the question of the establishment of branches by National banks had not been presented by Missouri in such a way as to warrant the court in disposing of it on its merits. The case should be thrown out, he said, because Missouri had no authority to go into court originally and question the

right of the First National bank of St. Louis to establish a branch.

Extra Dividend Rep. Steel
NEW YORK, Nov. 22.—The Republic Iron and Steel company today declared an extra dividend of two per cent on preferred stock on account of accumulated dividends. The regular quarterly dividend of 1 1/2 per cent on preferred also was declared.

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perryburg, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my sides all the time. I can't remember just how long I suffered, but it was for some time. One day I was talking with a lady I met on a car, and I told her how I was feeling and she said she had been just like I was with pains and nervous troubles, and she took the Vegetable Compound, and it cured her. So then I went and got some, and I certainly recommend it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound."—Mrs. ADA FRICK, Route 3, Perryburg, Ohio.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not give Lydia E. Pinkham's Vegetable Compound a fair trial.

BIG TURKEY CROP ALL OVER U. S. A.

WASHINGTON, Nov. 22.—The tradition of turkey as the piece de resistance on the Thanksgiving and Christmas dinner table is in little danger this year, as far as the supply is concerned. Department of agriculture reports made public today show that, in addition to cold storage stocks of 5,000,000 pounds carried over from last year, the new crop is exceptionally heavy in Texas and large in Maryland and Virginia, while Turkeys are being raised in considerable numbers for the first time in northern sections.

SKINNER-EDDY PLANT IS SOLD TO SEATTLE

WASHINGTON, Nov. 22.—The war time ship construction plant of the Skinner and Eddy company at Seattle was sold today to the City of Seattle for \$500,000. The shipping board announced that the equipment of the works was withheld from the contract and will be sold later by competitive bids.

GRANGE OPPOSED TO SEED GRAFT

PITTSBURGH, Nov. 22.—At an executive session last night the National Grange adopted several resolutions as follows:

Urging the enactment of a "truth in fabrics" act, and asking similar legislation to prevent untruthful labelling and advertising of fertilizer, seeds and insecticides, asking extension of the postal saving law to small communities and further legislation for the protection of natural resources, especially forests.

Resolutions opposing free distribution of seeds and any weakening of the national prohibition law were also adopted.
