

If Back Hurts Begin on Salts

Flush Your Kidneys Occasionally
by Drinking Quarts of
Good Water

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much rich food creates acids which clog the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush clogged kidneys and stimulate them to activity, also to help neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications. By all means have your physician examine your kidneys at least twice a year.

CLEANSING FROM GUILT OF SIN IS TOPIC OF SERMON

Rev. L. B. Quick, in his afternoon message at the Presbyterian church, yesterday on the Gibeonites, telling the story of their deceit and frantic appeal to the leaders of Israel to spare their lives, and permit them to live without molestation, showed how they symbolize the multitude of appeals that come to the minister and Christian worker and the church of today, some of which are evil but many of which are good in their place. Because of that they become a menace to the best Christian, life and service, detracting, taking time and means and energy which ought to be given to the Master and his Kingdom. Sometimes they assert themselves until they claim first place and Christ is no longer exalted in the life.

At the evening service, the speaker in unfolding the symbol of the Laver, one of the parts of the tabernacle, told how it was the symbol of the greater cleansing and spiritual filling for the Christian, while the altar of sacrifice represented the sacrifice of Calvary, the step of regeneration and cleansing from the guilt of sin. The Laver represents the cleansing or freeing from the power of sin.

Tonight the theme will be, "Seeing the Wind and the Waves," the story of the thrilling experience in Peter's life and the lesson of the faith necessary for the saving of body and soul needed today. The male quartet will sing a couple of numbers. The topic for the afternoon service, Friday will be "Fomescing." There will be prayer for healing at the close of the service tonight.

Old Marks Shattered As Flyers Attain Dizziest Speeds Yet Known To Man

ABOVE: LIEUT. H. J. BROW; INSET, LIEUT. AL WILLIAMS.

NEW YORK—Fast, faster, fastest! Those who gasped at the news that Lieut. Al Williams had flown his plane an average of 4 miles an hour at the St. Louis races recently and thought man's speed had reached its superlative, were further knocked for a row of lightning bolts when Lieut. H. J. Brow bettered this record at Mitchell Field, L. I., last Friday. Brow attained a speed of 265 miles an hour, about four and a half miles a minute. His average was 250 miles an hour.

These offers, the government has declined. Officials declared they can enter no compromise agreement but must insist upon a free exercise of their power in the event the draft evader is captured or returned to American jurisdiction.

U. S. AIR SERVICE IS A TOTAL LOSS

WASHINGTON, Nov. 22.—A frank statement of the "inadequacies" of the army air service from a standpoint of personnel, finance, equipment and other essential factors was made today by Major General Mason M. Patrick, chief of the army's aviation forces, in his annual report to Secretary Weeks.

"The peace organization of the air service," General Patrick said, "now bears no relation to the war requirements and affords little or no foundation upon which war requirements in either personnel or equipment can be built."

URGES FARMERS TO USE BIG STICK

OMAHA, Neb., Nov. 22.—(By Associated Press.) C. S. Barrett of Union City, Ga., president of the Farmers Educational and Cooperative union, told delegates to the organization's national convention today that "the farmers as a body have got to take part in politics," and must use "club methods" to obtain legislation to which they are entitled.

His advocacy of "club methods" included a statement that he had "seen enough in Washington to make a whole army of farmers turn bolshevik," and another that "ninety-nine per cent of the people know nothing of what is going on there."

Application blanks for securing 1924 motor vehicle licenses have been mailed by the secretary of state to all motor vehicle owners in Oregon, and they are urged to apply early so that the license plates may be mailed so as to reach them before January 1, 1924. This action will avoid much trouble, annoyance and unnecessary delay. License plates for 1924 will have a bright red background and white letters and figures.

The distribution of the 1923 registrations up to October 31, 1923, shows that in Jackson county there were licensed 24 motor vehicle dealers, 584 chauffeurs, 9240 motor vehicle operators, 70 motorcycles, 5265 passenger cars, 1 ambulance and hearse, 31 busses and stages, 182 commercial cars of less than one ton capacity, 447 trucks of from one to five tons capacity, and 11 trailers of from one to five tons capacity, or a total of 5937 licensed passenger and commercial vehicles. During 1922 there was a total of 5128 passenger and commercial motor vehicles licensed in Jackson county.

Between September 15, 1922 and September 15, 1923, of the receipts from motor vehicle licenses and fees \$967,492.19 was distributed to the counties of the state, and there was turned over or transferred to the state highway fund \$2,963,476.56 during that period. Jackson county's share of the foregoing allotment to the counties was \$84,240.09.

RHEUMATISM LEAVES YOU FOREVER

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenru, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance. Heath's Drug Store and West Side Pharmacy will supply you. Mail orders accepted. Adv.
