

Kellogg's Bran gives permanent relief because it is ALL BRAN!

Every member of your family will enjoy better health—eat better, work better, sleep better—if they eat Kellogg's Bran regularly. Its natural, positive work for health is actually a blessing to humanity! Kellogg's gives permanent relief from constipation because it is ALL BRAN! It is scientifically prepared to relieve suffering humanity from constipation.

Kellogg's Bran cleans and purifies the intestinal tract; it clears away toxic poisons and frees you from the dangers of many dreaded diseases, as well as from sick headaches, rheumatism and mental and physical depression. A week's trial of this great nature food will prove that its work for health is wonderful!

Consider Kellogg's Bran as a food. It is not a laxative nor a medicine. Bran is the outer coating of whole wheat and contains such nourishment factors as mineral salts and other elements vital in sustaining life!

Kellogg's Bran is cooked and all ready to eat. It is delightful as a cereal, or sprinkled over your favorite hot or cold cereal. Another popular way to eat it is to cook or mix it with a hot cereal. In preparation, add two tablespoonfuls of bran for each person. Delicious bakery batches are made with Kellogg's Bran. Recipes are printed on each package.

DO TWO THINGS—Eat Kellogg's Bran each day for permanent relief from constipation and be certain to eat at least two tablespoonfuls; in chronic cases, with each meal.

First-class hotels, clubs and restaurants serve Kellogg's Bran in individual packages. Ask for it at your restaurant. All grocers.

EAGLE POINT IS AWARDED \$40 IN COW GRAZING CASE

The city of Eagle Point was awarded \$40 damages in its suit against J. Hanscom, by a jury in the circuit court this morning. Eagle Point asked for \$250 damages.

Hanscom had some cows, the city claimed, which were using the lawns and byways of the municipality for a range. Lucius Cingade, the marshal proceeded to impound the offending stock, in accordance with the ordinance therein provided.

When Mr. Hanscom discovered that his cows were in durance vile, he was somewhat nettled, and went to the pound and released, "forcibly and without permission," said cows, and they returned to their grazing in the city limits.

Then Eagle Point took steps to have the question of the freedom of the streets to cows, decided by a jury of their peers, with above results.

In the suit of Frank Swingle against the Talent Irrigation district for \$7000 alleged damages incurred by the building of an irrigation ditch through his land, a non-suit was filed when the case was ready to go to the jury. Swingle, the evidence showed, had been paid \$1200 for a right-of-way and the suit was based upon alleged failure of the irrigation district to fulfill its contract.

Criminal actions pending before the circuit court will be started as soon as District Attorney Newton Borden is at liberty from the sessions of the grand jury, which are expected to be concluded early next week.

Bible Thought for Today

BETTER THAN SILVER AND GOLD.—Godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. And having food and raiment, let us therewith be content.—1 Tim. 6:6, 7, 8

We have every resource necessary to a great section and community. Not that we have not already a wonderful country, but there is much yet to be done in development.

The thing we need most is a cooperative, concerted spirit of aggression. The Jackson County Bank, since 1888 has been dedicated to this purpose. Let's pull together for a greater Southern Oregon.
