Proclamation

The United States and the State of Oregon have much to be thankful for this year and especially for peace and prosperity.

The Rogue River Valley has enjoyed unusual prosperity the past year and it is proper that we should observe one day in the year, as a time on which we could feel and express our thanks.

President Coolidge, Governor Pierce and Mayor Gaddis have issued proclamations asking the people to pause from their labors and render fitting thanks for the bounties and blessings bestowed upon them and their commonwealth, as well as their nation itself, on Thanksgiving Day.

We Wish to Express
Our Sincere Thanks and Appreciation
to our many friends and patrons for their patronage which has made possible

An increase in our business
during the past season
