# LOST GIRL IS FOUND

(Continued From Page One) "At Stanwood we met a man who had seen the girl. At Mount Vernon

we found a woman who had also seen her. Then other persons had seen her at the outskirts of Hellingham. The last trace we picked up of her was at Coal Creek bridge, south of Blaine.

"Immigration officials at Blaine had no trace of her, so we came on to Vancouver where we read in the morning paper of a girl being found in an unconscious condition and concluded at once that it was the one we sought. A visit to the hospital confirmed this.

"The girl's own story will clear up the matter, but I believe that our theory is correct. There is nothing to indicate abduction or violence. I believe that Miss Austin left her home with a dress over her bleeding suit and that we will find the dress in the brush near Bothell. Her hat was found where it had apparently been thrown away two blocks from the church she left to attend."

# Decides on Best Life Insurance

"Five years ago I was refused life insurance because of my heart symptoms. Doctors said it was caused from a pressure of gas that came from my stomach, but their medicine did not help me and I was getting worse all the time. Three years ago my druggist recommended May's wonderful Remedy. I took a course of it and believe it is the best life insurance anyone can buy. It helped my trouble at once. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convulse or money refunded.—Sold by all druggists.
