MRS. TOM NICHOLS EARLY PIONEER, IS CALLED TO REWARD

Mrs. Louise Nichols, one of Jack-
son county's best known pioneer wo-
men, died at her home in Eagle Point,
Sunday, December 2, at the age of 74
years, 4 months and 24 days. Mrs.
Nichols was born July 8, 1849, at
Blakesburg, Iowa, was educated in
Iowa and Ohio and crossed the plains
with her parents during the Indian
war by ox team, arriving in Oregon
when she was 18 years old. With her
family she lived at Oregon City, Cor-
vallis and Brownboro for a few years
where she taught school. Her par-
ents settled at Eagle Point at the old
Bradley place then owned by her un-
cle, later taking up a homestead on
Lake Plains, where they built their
home.

Miss Louisa Bardley and Thomas
Ewart Nichols were married here in
1868, settling on the donation claim
where they lived most of their lives
and where their family was reared.
They were one of the first families
to settle in the Lake Creek country,
enduring many hardships and having
a vast experience that only the pio-
neers can relate. They passed through
the epidemic of black smallpox, for
example, when the mail had to be dis-
infected by smoke.

Jacksonville was practically the
only town in Jackson county then,
and much gold was being mined here
in those days. In late years Mrs.
Nichols was very prominent in many
organizations, including the Red
Cross, civic clubs and W. C. T. U.

Deceased was loved by all the chil-
dren in the neighborhood, highly re-
spected by the entire community, and
is one of those sterling pioneers who
are fast passing on to their reward.
She leaves her husband, Thomas
Ewart Nichols, Eagle Point; one son,
Gus E. Nichols, Eagle Point; and three
daughters, Mrs. F. G. Walton, Denver,
Colorado; Mrs. Anna Brophy, Eagle
Point; Mrs. F. J. McPherson, Eagle
Point. There are six grandchildren
and three great grand children.

Funeral services will be held at the
Baptist church, Eagle Point Tuesday,
1:30 p. m., Rev. Lawrence officiating;
interment in the private cemetery of
the Nichols; arrangements in charge
of the Perl Funeral home.

MEMORIAL SERVICES AT ELKS HINDERED BY DEATH AND ILLNESS

Despite changes in the program the
last minute caused by illness and
death the annual memorial services
held by the Elks lodge yesterday af-
ternoon were largely attended. In
place of B. F. Mulkey of Portland de-
livering the memorial address W. E.
Newcombe of Grants Pass, former
district deputy grand exalted ruler and
former exalted ruler of the Ashland
lodge, appeared and made an eloquent
and thoughtful address.

Mr. Mulkey wired from Portland at
5 p. m. Saturday night that he would
be unable to attend because of the
death of his wife's brother, Mr. Haw-
ley, in that city, and because of the
very serious illness of her mother. By
midnight the lodge authorities had got-
ten into touch with Mr. Newcombe by
long distance phone and persuaded
him to fill the vacancy on the pro-
gram.

Then Mrs. Lorraine Harrison Scott
who was to have sung in the quartet,
and her husband, S. M. Scott, who was
to have officiated as accompanist,
were unexpectedly summoned to San
Francisco by the dangerous illness of
Mrs. Scott's father. Therefore Miss
Victoria Andrews substituted in the
quartet for Mrs. Scott, and Mrs.
George Andrews served as accompa-
nist in Mr. Scott's place. The other
members of the quartet were Mrs.
Frank Isaacs, George Maddox and Wm.
Vawter.

Besides the quartet selections and
addresses, there was a solo by Mr.
Vawter, music by an orchestra, ritual-
istic exercises by the officers of the
lodge, singing by the assemblage, in-
vocation and benediction by Rev. Wm.
B. Hamilton, the lodge chaplain, and
the calling of the roll of the absent.

Out of the huge membership of
about 900 members of the local lodge
only 48 members have passed away
since it was founded.

DRUGS ARE CONCEALED IN HIS WOODEN LEG

EVERETT, Wash., Dec. 3.—Mor-
phine valued at \$2000 was seized
early Sunday morning in a cafe here
when three men were arrested by po-
lice and state traffic officers. The
narcotic is said to have been con-
cealed in a wooden leg worn by T. R.
Wilson. The other two were James
Roberts, held on the charge of carry-
ing concealed weapons, and Charles
Malone, charged with liquor posses-
sion. Federal narcotic and prohibi-
tion officers are co-operating with
local officials in investigating the
trio.

NEW LOCAL PHONE RATES EFFECTIVE FIRST OF THE YEAR

The Home Telephone and Tele-
graph company, following its cam-
paign of explanation of a month or
more relative to the necessity for so
doing, filed a new tariff of charges
last Saturday with the public service
commission which increases charges
for Medford and Jacksonville. The
new tariff, unless suspended by the
public service commission, will be-
come effective on January 1st.

The increases in rates range from
10 to 25 per cent, according to news
dispatches from Salem, which say
that the proposed new rate for long
party residence wall sets will be in-
creased from \$1.75 to \$2 per month,
while the charge on party business
telephones will be advanced from \$1
to \$5 month. In general the increases
for fifty per cent of the residence
phones will be only 25 cents a month.
It is said.

The company in its campaign of
education has made full explanation
to the city councils and civic bodies
of Medford and the county seat town
during the past month. So far as at
present known there have been no
open expressed dissatisfaction with
the new tariff charges. The company
asserts that it is impossible for it to
continue to do business at the present
charges and exist.

SHIPPING BOARD IS SUED FOR MILLION

NEW YORK, Dec. 3.—E. Paul Ya-
zell, former assistant United States
attorney general and now president of
the Italian Star line, today filed suit
through his attorney against the
United States shipping board emer-
gency fleet corporation, Admiral Wil-
liam H. Benson, Guy D. Goff, now as-
sistant attorney general and W. Davis
Conrad, former admiralty counsel for
the shipping board, asking \$1,000,000
and costs.

Mr. Yazell charged that his com-
pany had been damaged to the extent
of \$1,000,000 by being thrown into re-
ceivership through methods employed
by the defendants in collecting
payments for the steamer Liberty
Land, purchased from them by the
line. The complaint set forth that
several small investors had lost their
money and should be paid.

THE SPECIAL-SIX TOURING \$1350

EVERYONE who drives a Studebaker Special-Six marvels at the ease with which it steers.

This is due to three things: The use of Timken tapered roller bearings on the steering pivots; the easy-operating, exclusive Studebaker steering gear and a minimum of unsprung weight on the front axle.

The Studebaker Special-Six transmission, differential, rear axle, and all four wheels are also completely equipped with Timken bearings.

No other touring car priced under \$5600 uses as complete installation of Timken bearings as the Special-Six.

This is an example of the quality that is built into every detail of the Special-Six. Studebaker spares no expense to make it the market's outstanding value in a five-passenger car.

Get behind the wheel of any car you plan to consider. Then compare its steering and riding qualities with the Studebaker Special-Six. Call—or phone—and we'll bring a car to your door so you can make this test yourself.
