Deputy hunters who have been using detachable motors on their boats will be subject to arrest in the future under the game law which prohibits hunting from power boats. This warning has just been issued by A. E. Burghdoff, state game warden, following opinion from the attorney general on this law. The opinion advised game authorities that a boat with an engine in it, even if detached, was in violation of the section prohibiting hunting from power boats. Most duck hunters at the present time use detachable motors on their boats. The opinion also was given that a rowboat having tug service was in violation of this section of the law. 227
