REESE CREEK RIPIETS

The all day services at the school house Sunday were quite well attended. Rev. Randall, the Sunday school missionary, taught the adult class, and gave some alarming statistics concerning the need of missions. All the old officers for the Sunday school were re-elected for the next six months. Mr. Eli Still is the superintendent. After Sunday school Rev. John Stille preached on "Faith." He said the Bible gave some definitions of faith. One was in Hebrews 11:1. "Now faith is the substance of things hoped for, the evidence of things not seen." He told something of what it meant to have faith in God. Then came the noon hour when everyone was hungry. People had brought their dinner. They put it all together and had a good time socially, having enough edibles left to feed as many more. After dinner Rev. Randall preached on "The Bible Is the Word of God." He said that the Bible says "God created man in his own image" and was not a monkey.
