SAVING IS KEEPING!

There is only one thing that makes prosperity—it is not earning money; it is not spending money—it is saving money.

Installment stock shares mature at \$100.00 at the end of 76 months and are matured by payments of \$1.00 per month, interest at 8% compounded semi-annually.

More than 100 loans were
granted during 1923, mak-
ing it possible for as many
families to buy, build, or
improve their homes.

A SEMI-ANNUAL DIVIDEND OF 4%

Was declared on January 1, 1924, and the same dividend has been
declared the past six semi-annual dividend periods
