

STATE INCOME TAX LAW IS EXPLAINED AT KIWANIS CLUB

The Kiwanis club greatly appreciated the talk made on the new state income tax law by G. G. Hewitt, formerly deputy federal internal revenue collector, but now a private income tax adviser in Medford. Mr. Hewitt explained the requirements and operation of the state law and said every single person with \$1000 income or more in 1923 and every married person with an income of \$2000 or more must make a report, whether they pay any tax or not.

Mr. Hewitt gave this example: A single person with an income of \$200 per week would receive \$1040 per year with \$1000 exemption and no other exemption like taxes or donations, would pay one per cent tax on \$40 or 40 cents. A married person drawing \$400 per week or \$2000 a year with no dependents, taxes or donations, would pay one per cent on \$80 or 80 cents. These same ratios apply until the income for either is \$1000 net. Between \$1000 and \$2000 net income one and one fourth per cent, above \$2000 net income the rate increases one-fourth per cent per \$1000 up to \$5000 net and above that the rate increases one-half per cent per \$1000 net, up to \$12,000 and all above that falls 6 per cent straight.

State income tax rate is the same for corporations and individuals. Federal reports must be made prior to March 15 and state reports prior to March 30.

All state reports must have attached a copy of the corporation, partnership or individual reports for the same period.

George Collins received the honors. The Medford Tobacco Co., presented the club with two boxes of their choice cigars.

Several guests were present. Mayor Gaudin presented the ex-president of the club, W. J. Warner, with a past president's pin. Retiring Secretary Thompson made a financial report for the past year.

"Pop" Gates was asked to tell about what he said at the Eugene club meeting recently and modestly replied "I'll leave that to the Eugene boys."

OHIO REUNION HERE TUESDAY, FEB. 19TH

The annual winter dinner and reunion of the Ohio society of Jackson county will be held in Medford at the former American Legion post hall Tuesday, February 19, and arrangements are already under way to make it the largest attended and most successful affair ever held by the society.

To this end all former Ohioans residing in the valley are urged, if they have not been registered in the organization's records through attendance at previous reunions, at their earliest convenience to send in their names and addresses to the secretary, Mrs. J. H. Jones, 512 Pennsylvania street, this city.

The last year's dinner and reunion was held in Ashland, at which time J. W. Snyder of Medford was elected president, W. Lyman, also of Medford, treasurer and Mrs. Jones, secretary.

These annual affairs are largely attended by former Ohioans of Medford, Ashland, Central Point and elsewhere throughout the county.

BANKER SENTENCED TO PENITENTIARY

CHEHALIS, Wash., Jan. 28.—State Senator Percy L. Sinclair was sentenced in the Lewis county superior court here today to from 16 months to 18 years in the penitentiary for making a false official report of the condition of the Southwestern Washington bank at Ilwaco, of which he was president.

Judge W. A. Reynolds, before passing sentence denied a motion for a retrial of a jury verdict of January 12 convicting Senator Sinclair on a charge of venue from Pacific county. "You are now past sixty years of age," said the court, "and have not many more years over your head. It is the view of the court quite punishment enough so far as you are concerned, that you were convicted at all. But public policy requires that a penalty should be imposed."

Earl Boardman, son of Mrs. Minnie Boardman, who has been at Fort George, Wright near Spokane, for the past three years has returned home.

University Students Confess Robbery of Missoula Postoffice

BUTTE, Mont., Jan. 28.—Robert Eckler, 19 of Butte; R. A. Heller, 21 of Boston, and Bernard Quenell, 21, of Kallispell, students of the University of Montana at Missoula, are under arrest in that city charged with robbing the Missoula postoffice last night of \$35,000 in currency. The money had been consigned from Spokane to the Missoula Trust company.

The three students confessed, according to postoffice officials, and declared they had concealed the money under a bridge over the Missoula river. The money was later recovered.

TO HOLD FARM CONFERENCE HERE FEBRUARY 18TH

A Jackson county economic conference along follow-up lines from the state conference at Corvallis last week, pertaining to the agricultural, dairy, livestock, fruit and other needs of this section will be held, probably Feb. 18 in Medford, in connection with the annual Farmers Week here of the Farm Bureau, and under the auspices of the business men of Medford and Ashland, and the bureau.

The county was well represented at the economic conference held at Corvallis, by business men and the various agricultural lines, and it is hoped by this follow-up conference, thru cooperation by business and agriculture of the county, to accomplish much for the future welfare and development of the valley and county, so that they can reap the full benefit of the big money to be spent in advertising Oregon by the state chamber of commerce and railroads.

Chastain, Medford forward, was high point man of the game, annexing 16 points for his team. Gilbert, forward, and Handley, center, divided high point honors equally with two field baskets each for Albany.

The lineup follows: Albany (16)—Gilbert (4) and Goodwin (2), forwards; Handley (4), center; Clinton (2) and Houston, guards. Substitutes Cox (4) for Huston; Burton for Gilbert.

Medford (32)—Knips (6) and Chastain (16), forwards; Allen (8), center; Reichstein (2) and Williams, guards. Substitutions, Fabric for Williams. Referee, Glenn Perry.

HIGH SCHOOL DEBATE AT WEDNESDAY FORUM

Four members of the high school will give a debate on "Resolved that Medford is a better place in which to live than Los Angeles" at the forum luncheon of the Chamber of Commerce at noon Wednesday, at Hotel Medford.

From all reports this is a very interesting and up-to-the-minute debate and a large attendance is anticipated.

Merchants Complete Organization Tonight

The merchants' new association will complete their organization tonight and every merchant who has signed and all other merchants interested are requested to attend this meeting at the Chamber of Commerce at 7:30 this evening.

In addition to completing the organization permanent officers will be chosen tonight.

This organization will act in connection with the state and national organizations and will be a big benefit for every merchant.

Every merchant should make it a point to attend tonight and investigate the benefits to be derived from the association.

OIL INQUIRY IN SENATE GIVEN UP TO POLITICS

(Continued From Page One)

to take action at this time to reaffirm the policy of three successive administrations to maintain in the ground an adequate oil supply.

Senate Inquiry Suspended.

The senate investigating committee suspended its inquiry for the day because of the session discussion but the house naval committee took a hand in the situation having asked Rear Admiral Gregory, chief of the bureau of yards and docks, to produce the leases for the Wyoming and California reserves.

Albert B. Fall and Thomas Johnson, foreman of his ranch, are here for examination by the senate committee with reference to various financial transactions mentioned in the hearings last week.

Some doubt was felt as to whether Fall would be able to appear tomorrow as planned since his physician said it would be practically impossible for him to go before the committee today.

The Walsh substitute for the Caraway resolution which was made public last night, charges that the Sinclair Teapot Dome lease was executed without authority, "under circumstances indicating fraud and corruption."

Senate hearings would be confined to the Teapot Dome lease at this time, because of the conditional offer of Doheny, through his counsel, to convey to the government the lease awarded to his company on the California reserve.

Senator Studley, Prot/en. Senator Walsh, in making public his resolution said word of the committee's decision, despite a pledge to regard it as confidential, "obviously had been taken to the White House prior to the president's announcement of his decision to act at once."

White House officials, describing the president's course in formulating his decision said he devoted his trip Saturday on the Mayflower to a study of the situation, after which he conferred with his advisers here and shortly before issuing his statement, received a communication from Attorney General Daugherty who is at Miami, Fla., urging him to take the action announced.

MEDFORD TOSSERS RETURN WITH WIN OVER ALBANY H. S.

The Medford high school basketball team returned Sunday from the north, winning and losing a game.

The game with the Oregon Freshmen is described by the Eugene Register as follows:

The evening game was also a good exhibition of hoop work, although the fresh had a decided edge. Knips was the best man for Medford.

The Albany high school game is described thusly, by the Sunday Democrat:

The Albany high basketball squad suffered its second defeat of the week last night in the Central high gym, when the Medford delegation handed it the light end of a 32-16 score. The battle was replete with rough playing from start to finish, numerous fouls being called throughout.

Medford started rolling in counters from the floor at the beginning, but the locals experienced difficulty in locating the basket. The tries during the initial canto were about equally distributed. Only once, and that at the beginning of the second half, did Albany stage a comeback. For the moment it looked as though the score would be evened, but the spurt was short lived and the invaders rolled up another increase in points.

Chastain, Medford forward, was high point man of the game, annexing 16 points for his team. Gilbert, forward, and Handley, center, divided high point honors equally with two field baskets each for Albany.

The lineup follows: Albany (16)—Gilbert (4) and Goodwin (2), forwards; Handley (4), center; Clinton (2) and Houston, guards. Substitutions, Cox (4) for Huston; Burton for Gilbert.

Medford (32)—Knips (6) and Chastain (16), forwards; Allen (8), center; Reichstein (2) and Williams, guards. Substitutions, Fabric for Williams. Referee, Glenn Perry.

FOURTEEN DIE IN PAWTUCKET FIRE

PAWTUCKET, R. I., Jan. 28.—Fourteen persons are believed to have lost their lives either from asphyxiation or from explosion and fire in a two-family cottage at Cumberland Hill, Pawtucket, early today. The bodies of Michael Conway and of six members of the family of Adelard Hamel were found in the ruins and seven other persons are missing.

Mrs. Michael Conway was awakened by her young daughter who complained of the odor of gas. Mrs. Conway lighted a lamp and the explosion which destroyed the house followed. Mrs. Conway, her two sons and daughter escaped but the husband was killed.

In the adjoining house a family of ten named Hamill resided and it is believed they are all dead.

INDIAN POW WOW ROSEBURG, JUNE 12

ROSEBURG, Ore., Jan. 28.—A primitive Indian rendezvous, such as occurred annually in western Oregon when the Indians were in possession of the land, will take place in Roseburg on June 12, 13 and 14.

Over 1000 Indians now living in the state will participate and will set up an Indian village, and for these days will stage a celebration such as has not been known in Oregon for 75 years. All tribes will come together for a pow-wow and will put on games, dances and parades. Fifty ponies have been secured already for the races and games. It is proposed to advertise the celebration over the entire coast. The Unipqua Chiefs, Roseburg's booster club, is pledged to aid in the arrangements.

U. S. Hockey Team Wins. CHAMONIX, France, Jan. 28.—(By the Associated Press)—The United States hockey team scored an easy victory in its first match in the winter sports of the Olympic games today, defeating the Belgian team by the score of 13 to 0.

Get Two Trial Boxes

PAZO OINTMENT is a Guaranteed Remedy for all Forms of Piles.

Pay your druggist \$1.20 for two boxes of PAZO OINTMENT. When you have used the two boxes, if you are not satisfied with the results obtained, we will send \$1.20 to your druggist and request him to hand it to you. We prefer to handle this through the druggist because his customers are usually his friends and will be honest with him.

PARIS MEDICINE COMPANY, St. Louis, Mo.

SCOUT ASSEMBLY GREATLY ENJOYED BY ALL MEMBERS

The headquarters assembly of the scout troops Saturday night was the most successful yet held from many standpoints. All the troops made a fine showing. Are address by Colonel C. G. Thomson, superintendent of Crater Lake park, with the new pictures of the tour of the park made a real hit with the boys. Many of the scenes taken from rare points of vantage were pronounced by visitors present as the finest they had ever seen. The geological formation and structure of the region and the ancient volcano, now a great hollow water filled crater, were most interestingly discussed. Colonel Thomson has consented to prepare a number of other features to present before the local scouts in the future.

Scout Commissioner Coan announced that one regular headquarters assembly would be held in February. The court of honor composed of the following members of the local council will soon convene to pass upon the qualifications of the candidates for the second class rank: F. J. Newman, A. C. Bevan, A. G. Smith, Dr. R. R. Johnson and E. E. Gore. The opening and closing ceremonies as displayed by Troops 6 and 7 were exceptionally interesting as this was their first presentation.

All the troops are working hard to meet the qualifications required in order that they may be presented with the national colors and their troop flag. Some of them hope to receive them at the next general meeting.

SPECIAL SERVICES METHODIST SOUTH OPENED YESTERDAY

Evangelist Hughes opened the special services at the Methodist Church, South, yesterday with two addresses of a kind seldom heard in these days. He is a fearless, direct, and yet exceptionally pleasant speaker. His long years spent in the commemorative would lend a tone and manner to his address which is perhaps quite rare. The general effect voiced by those who heard him was, "we have heard nothing like that in many a day." Rev. Hughes is a champion of Bible faith and teaching shorn of every semblance of modern heresy and half-toned infidelity, according to the pastor, Rev. J. B. Coan.

A feature of the services is a most inspiring and enjoyable half hour of song led by a large chorus choir and a junior choir of boys and girls. These meetings will continue for fifteen days only. A number of interesting events are being planned for the junior choir with a banquet for them at the close of the meeting. The services open at 7:30 tonight. The subject announced is "Get Up and Go and Play the Game Straight." Beginning tomorrow there will be services at 10, 2:30 and 7:30 each day through the week.

Born to Mr. and Mrs. E. N. Anderson a baby girl, January 24 at the Sacred Heart hospital.

How We Spend Your Money in building Studebaker cars Why people buy 150,000 yearly

It is true that we spend lavishly on Studebaker cars. But it's all to your advantage.

It is by that spending that we give you the greatest value in the fine-car field. We offer prices no one matches on any comparable cars.

That lavish spending led people last year to pay \$200,000,000 for Studebaker cars. And that volume brings our prices down to where they are.

\$50,000,000 in plants

Studebaker assets are \$90,000,000. In modern plants and equipment we have \$50,000,000. Seventy per cent of that amount was spent in the past seven years. So it represents the last word in equipment.

\$8,000,000 in drop forge plants, so every vital part is made to Studebaker standards.

\$10,000,000 in body plants, so Studebaker ideals may be shown in every body.

All that is staked in a permanent way on satisfying fine-car buyers better than our rivals.

What extras cost

Lack of vibration is a famous Studebaker feature. We get that by machining crank shafts as they were in Liberty Airplane Motors. That extra cost is over \$600,000 yearly.

Matchless endurance is another famous feature. One Studebaker Six, still in active use, has run 475,000 miles since 1918. We get that through costly steels. On some we pay 15% bonus to makers to get formulas exact. Beauty of finish is another supremacy. But that finish requires many operations, including 15 coats of paint and varnish.

Our real leather cushions cost \$25 per car over imitation leather.

Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under \$5,600 in

America. The Light-Six more than any competitive car within \$1,000 of its price.

In closed cars we offer wondrous luxury. The lining is Chase Mohair, made from the fine fleece of Angora goats. Velour would cost about one-third that, saving up to \$100 a car.

Note those bumpers that steel trunk, those extra disc wheels, with cord tires on some models. Note that extra courtesy light. Think what they would cost if you bought them.

The cost of care

The unvarying standards in Studebaker cars are fixed by a department

Don't Buy Blindly

Studebaker is today the leader in the fine-car field.

It has made this concern the largest builder of quality cars in the world.

You can find nothing in cars at \$1,000 or over to compare with Studebaker values.

Studebaker sales have almost trebled in the past three years. The growing demand is the sensation of Motordom.

For 72 years the name Studebaker has stood for quality and class. But never so much as today.

Then don't buy a car at \$1,000 or over without learning what we offer.

of Methods and Standards. It is enormously expensive.

Our constant improvements are due to ceaseless research. 125 experts devote their time to the study of betterments. They make 500,000 tests per year.

That reliability is due to 12,000 inspections of the material and workmanship in each Studebaker car before it leaves the factory. This requires 1,000 inspectors.

Being generous with men

We pay maximum wages—at least as much as anyone else will pay.

Not extravagance

Do such things seem extravagant? They are not. All those extra dollars save more dollars for our buyers.

They result in the cars you see, in the prices and values we offer. Nothing else in the field can compare.

Those values have resulted in a demand for 150,000 cars per year. That volume cuts our costs in two, as compared with limited production.

The cause of over-prices—under-values—is not lavish expenditure.

It is

Limited production, Heavy overhead, Out-of-date machinery, Antiquated methods, Non-economical plants, Transient labor, Discontented workers.

We've eliminated those things. We've done it at what seems to you a heavy cost per car. But each of those extra dollars saves \$5, we believe. Note what values and what prices have resulted. Note the amazing demand—it has brought for Studebaker cars.
