POSTOFFICE TO
HANDLE PAPERS
AS FIRST CLASS

WASHINGTON, D. C., Jan. 30.—As a result of several months of investigation and study by experts of the postoffice department, Postmaster General New today issued the first definite, concise and complete program that has ever been put out by the department for the mailing, transmission and delivery of newspapers. This order is most important. It is far-reaching. It gives the same expedition to newspapers as is accorded to first class mail.

The order is the result of painstaking effort on the part of the postoffice inspectors, under the direction of First Assistant Postmaster General Bartlett. Carefully worded and minute instructions have been issued to all employees engaged in handling the mails, so that there will be no possibility of misunderstanding the importance of getting newspapers to the reader with a minimum of delay.

The essence of the order is that newspapers shall not be mixed with parcels post at any point in their dispatch from the publishers' offices until their delivery to the addressees. Papers shall be handled by themselves, and kept in constant transit, not being sent to railway terminals to be reworked. In other words they are to be handled in the same manner as first class mail.

An important feature of the order is that no publication shall be given any less efficient or less expeditious treatment than at present. That means that publications other than newspapers will not suffer one iota from this progressive innovation, made by the Postoffice department.

LANE CO. RANCHER
CONVICTED AS AIDE
OF BANK ROBBERS

EUGENE, Ore., Jan. 29.—After 15 minutes' deliberation today the jury which heard the case of Charles P. Blazer, Lane county rancher, charged with aiding the bandits who robbed the bank at Florence, December 11, to escape, returned a verdict of guilty of being an accessory after the fact.

A confession signed by Blazer was introduced at the trial. He admitted receiving \$200 from the bandits, but maintained that he assisted them from the Nels Berkren ranch to the station at Cushman through fear of violence. After the bandits had departed, however, he neglected to inform the sheriff. This, he explained in testimony, was because he still feared they would return to "get him."

Jack Herring, another Lane county rancher, went on trial today on a similar charge. Tom Murray and Eddie Walker, each serving twenty year terms in the state penitentiary for participation in the robbery of a bank at Florence, left for Eugene this morning to testify at the trials of John Herring and Nels Berkren, accused of having aided the bandits to escape.

SALEM, Ore., Jan. 29.—Accompanied by Rodney Rhodes, deputy sheriff of Lane county, Tom Murray and Eddie Walker, each serving twenty year terms in the state penitentiary for participation in the robbery of a bank at Florence, left for Eugene this morning to testify at the trials of John Herring and Nels Berkren, accused of having aided the bandits to escape.
