

LOCAL ROTARIANS TO VISIT GRANTS PASS, THURSDAY

At their regular weekly luncheon at the Medford Rotary club decided to send a delegation to Grants Pass Thursday noon when a Rotary speaker will be installed in that city. The proposition of having a large rotary sign placed at the Oregon-Klamath line was discussed, but action was deferred until more information can be secured. Attorney Frank Newman suggested that the rotary clubs of Medford, Grants Pass and Klamath Falls join and put up a sign themselves.

Among the guests were Dr. W. W. Mason, the local X-ray specialist; Ralph Wallace of Portland and Wm. H. H. of Dawson City, Alaska. Mr. H. is an old Alaska associate of

GIANT STILL OWNER BEFORE GRAND JURY

The grand jury spent Monday making its final reports, and considering testimony in the case of I. B. Hatfield, alias J. B. White, arrested last Thursday for the operation of a giant still in the Sams valley district. The redwood tanks, still, kerosene pressure tanks and other equipment used in the plant, held in the county jail, were viewed by the grand jury, and Hatfield appeared as a witness before the body. Hatfield has a family living in Klamath Falls. The grand jury is expected to conclude its deliberations today.

LOS ANGELES FILLED WITH HUNGRY VAGS

That Los Angeles is so overcrowded with tourists and people who came there to locate and went broke financially, that that city is now feeding 15,000 of such people and that more people are arriving there at the rate of 1000 a day, is the assertion made here this forenoon by M. W. Griffin and family to L. C. Garlock of the local state registration bureau for out of the state cars.

The family are former Oregonians, who have been residing in Southern California for months past, and who are now returning to this state to reside. Mr. Griffin, in registering his car, gave his future address as Mulino, Ore.

EVANGELIST PLEASSED BY SUPPORT GIVEN BY LOCAL PASTORS

Another splendid Monday night congregation was present to hear Evangelist Hughes last night. At the call of the speaker following his address on the scripture, "How Shall Ye Escape if Ye Neglect," there were three who made public their acceptance of Christian faith in addition to the large number who have made the same confession at previous services. There were five ministers of the city present who heard the evangelist last night and he expressed himself as highly pleased with their spirit of fellowship and cooperation.

A large attendance is expected to be present tonight to hear the speaker on the subject announced for several days, "The Immutability of God's Law," or "When the Ice Man Came to Church."

MEDFORD WARNED OF WOMAN FAKIR

The Medford police have received notification to be on the lookout for a woman who sells or takes orders for hosiery for a Chicago concern, to arrest her, and to warn the southern Oregon public to beware of her coming, as she is said to be headed this way from California, Texas and Arizona, where she has been working.

This notification is to the effect that this woman obtained her original traveling agency from the concern through misrepresentation and has been defrauding people by collecting deposits

and not mailing them in to headquarters. She is described as slender, five feet three inches in height, black hair with a plain bob, dark complexion, blue eyes and travels in a car with her supposed husband and two children aged about three and five years. The husband is said to be a short stout man.

Alleged Moonshiners Held to Grand Jury

I. C. Congo and H. S. Wilson, alleged to have been associated with I. B. Hatfield in the operation of the giant still raided by federal and county officers in the upper Sams Valley district last Thursday, were arrested Monday, and bound over to the grand jury, with bonds at \$3000 by Justice of the Peace Taylor.
