

SUPREME COURT  
UPHOLDS VERDICT  
IN CREAMERY CASE

SALEM, Ore., Feb. 5.—The election of three city commissioners at Oregon City on December 18 last was legal, the supreme court held today in the case of the state, by the district attorney of Clackamas county on relation of William H. Sloan, plaintiff, against William Andresen, C. H. Caulfield and Frank H. Cross. The three latter were elected city commissioners under a new commission form of government established by the election. The friendly proceeding was instituted in the supreme court to determine the legality of the election. The opinion was written by Chief Justice McBride. Other opinions handed down today were:

Emma Harrison, appellant, vs. F. R. Beals, appeal from Tillamook county; suit to collect on promissory note; opinion by Justice Burnett; Judge George R. Bagley, reversed and case remanded.

Leonie D. Schmitt vs. Jackson County Creamery, et al, appellant, appeal from Jackson county; suit involving accounting; appeal dismissed in opinion by the court.

The suit of Leonie D. Schmitt against the Jackson County Creamery was for the recovery of \$1500 in stock and an accounting of the undivided profits of the creamery. The contentions of the plaintiff were upheld in the lower court, and an appeal taken to the supreme court by the defendants with the above adverse result.

GENERAL WOOD  
URGES FILIPINOS  
TO BE PATIENT

MANILA, Feb. 5.—(By the Associated Press.)—Addressing the annual convention of the Philippine Veterans association here yesterday Governor General Leonard Wood asserted that he sympathized with the ideals and aspirations of the veterans for independence. He urged his hearers to keep on building up the resources of the Philippines, in preparation for independence.

"The work of the United States in the Philippines is one involving many years," he said, "distrust men who urge you to hate the United States. Have faith in the American people. We are working to help you. There are differences of opinion among the politicians but they also can be overcome."

Emilio Aguinaldo, former revolutionary leader and president of the short lived Philippine republic was re-elected president of the association.

Taxi cab companies refused to accept calls because their cabs were being shut in in drifts.

Loss to wire communication in the vicinity of Milwaukee was estimated at \$1,000,000 and similar conditions were reported to be present in the northwest and the lake region.

VARICOSE VEINS  
ARE QUICKLY REDUCED

No sensible person will continue to suffer from dangerous swollen veins or bunches when the new, powerful, yet harmless germicide called Emerald Oil can readily be obtained at Heath's Drug Store and West Side Pharmacy or any well stocked drug store.

Ask for a two-ounce original bottle of Emerald Oil (full strength) and refuse substitutes. Use as directed and in a few days improvement will be noticed, then continue until the swollen veins are reduced to normal.
