

Local and Personal

Much interest in the county seat is taken in the election that will be held there Saturday afternoon, concerning which the Jacksonville Post says: "The taxpayers of this district on the afternoon of Feb. 9th are to vote on authorizing the building of a gym or hall for our activities. Phoenix and Central Point each have new buildings. Jacksonville has much less indebtedness than either of these and pays less special school tax than any high school district in the county, save Butte Falls."

SMOKER'S TEETH BLEACHED

WHITE NEW SAFE WAY

No need for dull, yellow, tobacco-stained teeth now. For a new safe treatment—Bleachodent Combination—bleaches away stains, and makes teeth flashing white—often in just three minutes! Treatment consists of a marvelous liquid, which cures and softens the stains—and a new kind of paste which gently removes the softened stains and prevents the formation of new stains. Safe and harmless, as its mild ingredients are especially combined to act only on surface stains—not on the enamel itself. Only a safe mild preparation like Bleachodent Combination should be used on children's teeth which are naturally soft and sensitive, and which are naturally soft and sensitive, and which are especially subject to stains and decay. Fine for the gums. Get Bleachodent Combination today for few cents at all good dealers such as:
