Portable hydraulic scales are to supplant the old fashioned loadometers in the quest for overloaded trucks in Oregon. A pair of these new scales the first to be put into use west of Pennsylvania, were received by T. A. Rafferty, chief of the state traffic squad, Thursday. The scales, which cost approximately \$400 for the set, fit into a case 20 by 22 by 4 inches and weigh 100 pounds each. Instead of requiring the operator to "get out and get under" and necessitating the jacking up of the truck as with the loadometers, the new scales are simply placed on the pavement and the truck driven onto them. The sum total of the weights shown by the scales under the two wheels shows the total weight resting upon each axle.

## ASHLAND BEATEN BY ROSEBURG IN ONE-SIDED GAME

The Roseburg high school basketball team, defeated the Ashland five, 34 to 19 last night at Ashland, in a one-sided game, featured by the basket throwing of Burr, forward for the visitors. The Roseburg team was delayed by a train wreck and did not arrive until ten o'clock.

The Roseburg team play the Medford five in this city tonight at the Armory, in the biggest game of the year, locally.

The Ashland team was outclassed in all departments, and was a sad contrast to the fast and machine-like aggregations that have been the rule of that school for years. All the men are playing their first year, and only showed flashes of team work.

The Lithia City boys, however, put up a courageous struggle in the first half, and the first quarter of the second half, coming within two of tying the score. Roseburg threw a basket within three seconds after the game started, followed by two more in rapid succession, and then Ashland began to pay some attention to the visiting forwards. Ramsay of Ashland made three of the longest baskets ever thrown in this county, from back of the center of the floor.

The game tonight will be an important factor in deciding the championship of southern Oregon, and a huge crowd is assured for the contest, which will undoubtedly be a thriller. The teams are evenly matched, and both in good condition. The locals saw the game at Ashland last night. The probable Medford line-up by Chastain and Knips, forwards: Allen, center; Reichstein and Williams, guards.

## ALL TICKETS TO LINCOLN BANQUET ARE SOLD OUT

The further sale of tickets for the Lincoln banquet has been called off. The ticket committee reports a capacity house. As usual, the fellow who hesitated, or had to consult his wife, is lost, but the fortunate three hundred can tell them about it the next day. There will be a large number of new faces at the banquet this year—men and women who never attended before.

The spirit and morale of the republican party in Jackson county was never better. These republicans who in 1912 jumped out of the G. O. P. fold into the Independent Voters' league pasture have found the picking thin and the waters bitter. On the other hand, those simple, optimistic cusses who left the fastness and warmth of their own tribal tepees to visit the camp of Chief Weeping Water, and his thieving band of deserting tax eaters have returned stripped of everything but their breech clouts and moccasins. All the trunks and prodigals will be at the banquet—even the scape goats and black sheep will be welcome. There will be music and feasting and oratory. There will be no virtuous elder brother to point an accusing finger, and no sinless sister to turn up a superior nose, inspired and stimulated with the uplifting memories of earth's greatest mortals all petty and factional differences will be forgotten, and new allegiance and devotion pledged to the republican party, whose first great prophet and leader was Abraham Lincoln.
