Guy Malone came home for an indefinite visit with his parents. He was accompanied by his bride of last week.

Will McAdoo for president, is now Will McAdone. Herrin, Illinois, is again in the throes of a community civil war.

CUT OUT THE POLITICS.

THE SOONER criminal prosecution starts in the Teapot Dome scandal, the better for all concerned.

During the past few days the oil investigation has degenerated into little more than a political rough and tumble between the republicans and democrats.

With criminal action under way, the excuse for further political shadow boxing will be removed.

Moreover, congress will then have less excuse to delay action on important business.

So the most sensible action since the Roosevelt bomb exploded, was President Coolidge's immediate demand for criminal action.
