# MEDFORD HIGH TO PLAY FRESHMEN HERE ON FRIDAY

On Friday evening Feb. 15, at 8:30 o'clock, the Medford high hoopsters will play the Oregon Frosh.

The Medford five were defeated by the Oregon Frosh in a hard fought contest on January 25, but as the Medford quintet have been steadily improving, and also will have the advantage of the home floor the game will no doubt be a fast and close one.

Westergren, Oregon's star forward, will not be able to play on account of his ankle, according to reports from Eugene.

The preliminary game will be between Roseburg high school girls and the Medford high girls. This will also prove to be a fast game as the Medford girls are rapidly improving.

# REAL ESTATE MEN MEET TONIGHT

There will be an important meeting of all active real estate men now doing business in Medford, tonight at 7:30 p. m. in the Chamber of Commerce building. It will be shown that a real estate dealers' organization is highly important to the future of that business in this community and that much good can be accomplished by such an organization working as a unit at this time and co-operating with the efforts of the Oregon State Chamber of Commerce in its land settlement program.

It has been shown that the state of Oregon may properly expect one hundred thousand new settlers during the coming year as a direct result of the tremendous advertising plans of three large railroads of the northwest. These railroads have appropriated the sum of six million dollars for the sole purpose of advertising the northwest and it is estimated that this advertising will cause one million people to visit the state of Oregon during the coming year.

If the united efforts of the Medford real estate dealers can cause a reasonable percentage of these visitors to look over the Rogue River valley it is obvious that the growth and development of this district will be materially aided.

# NEW CANNERY TO BE BUILT IN ROSEBURG

ROSEBURG, Ore., Feb. 14.—At the annual meeting of the stockholders of the Umpqua Valley Canning company yesterday evening, a committee was appointed to arrange plans for the construction of a reinforced concrete building to be used for canning purposes. The new building will adjoin the company's warehouse which was purchased from the Rupert Canning company several years ago. The report for the past year shows that the local cannery put up more than three million points of produce and paid out more than $100,000 to growers and for labor and supplies in this community. The cannery is now preparing to start canning broccoli.

**Secured Relief Through Foley Pills**

John R. Gordon, Danville, Ill., writes: "I have suffered with kidney trouble five years; could not sleep at night and was always tired. I was not strong and hard work made my back ache. I got some Foley Pills and after a few treatments I felt better and could work with more ease, became stronger and could sleep better." Foley Pills are a diuretic stimulant for the kidneys, make them more active. Get a bottle today. Sold everywhere. Adv.

**Christians Play Methodists Tonight.**

The game tonight is the last to be played this year. The Christians and No. Methodists are neck and neck in the contest. A very large crowd is expected to witness this game, which promises to be the hardest fought game of the entire year. Both teams are in the very best of condition having practiced very hard for the one game tonight.

The first game of tonight will be between the Presbyterians and So. Methodists. A small admission fee of 10 and 15 cents is charged. These games are played in the old basket grocery on North Riverside.

QUALITY DEUEL'S ECONOMY

# MEXICALI, SINK OF SIN, MAY BE CLOSED TO U. S. A.

LOS ANGELES, Cal., Feb. 14.—(By the Associated Press)—Mexicali, the Mexican town facing Calexico, Cal., across the American-Mexican border, 230 miles south of here, is a "sink of iniquity, whose evil influence permeates the entire Imperial valley," according to a statement made here today by Lurlen Wheeler of the United States department of justice, bureau of investigation who has just returned from a trip of investigation at the border.

Wheeler said he was preparing a report for the department at Washington in which he would recommend that the border be closed between Calexico and Mexicali every evening at 7 or 8 o'clock to prevent Americans pouring into this "pot of vice."

In the dens of Mexicali, Wheeler said, there are 300 girls, of whom 250 have been recruited from the ranks of the underworld on the American side of the border.

"In Mexicali," he continued, "a gambling syndicate has built a gambling palace that accommodates 1500 persons. Unless something is done to stop the nightly exodus from Calexico and other points in the Imperial valley these vultures of chance will continue to fatten their bankrolls at the expense of the farming and laboring classes of the valley.

"Men who work hard for their money in southern California now are throwing it away across the green baize tables in Mexicali. Their families are going hungry and shoeless.

"In the Imperial valley the people are praying to God for a visitation of heavenly wrath on the slough of sin in Mexicali."

**Do YOU Worry?**

One of the most difficult things to contend with in these strenuous times is worry and nervousness. Almost everyone suffers in one form or another—neuralgia, neuritis, nervous indigestion, etc., all painful, afflict suffering humanity because the nerves are disordered. Women suffer most, because of their physical make-up. To correct these conditions take Dr. Pierce's Favorite Prescription, made of soothing herbs. It is a wonderful nerve tonic and will help restore nervous women to health and strength.
